This year’s ASCE Hawaii Section YMF PE Refresher Course will cover the “breadth exam” of the civil engineering professional examination. This session’s instructors and tentative schedule is:

Date	Topic	Instructor
January 18	Roadway Geometrics	Mr. Randall Urasaki (WSP)
January 25	Construction Engineering	Mr. Randall Akiona (University of Hawaii at Manoa)
February 1, 8	Water Resources	Mr. Raj Rath (C&C Environmental Services)
February 15, 22	Add-on Class: Environmental Engineering	Mr. Raj Rath This course is an add-on for \$80 per class.
February 29, March 7	Geotechnical Engineering	Mr. Tim Lin (Kokua Geotech, LLC)
March 14, 21	Structural Analysis	Mr. Lyle Carden (Martin & Chock Inc.)
March 28, April 4, April 11	No Class/Makeup Day	
April 17	Exam Day	

In addition to copies of the lecture notes and in-class practice problems for each subject, class attendees will receive a NCEES PE Civil Practice Exam (breadth + depth) of your specified discipline. Additional reference materials may be purchased as listed on the registration form, including the recommended **PE Civil Reference Manual, 16th Edition (Previously known as the Civil Engineering Reference Manual [CERM])** which is currently being sold for a \$150 discount (free shipping) when purchasing the book through the YMF.

The ASCE YMF PE Refresher Course is the only Hawaii-based PE Exam preparation course! This course will provide 24 hours of in-class instruction over 8 weeks. We offer small class sizes led by knowledgeable instructors and a reasonable schedule to allow for out of class study time.
