Luke Skywalker Saves the Planet of Tattooine

Luke Skywalker needs some lightsabers to help save the planet of Tattooine.

Josh, Jack, and BB8 want to help Luke Skywalker.

There are 8 lightsabers behind the secret wall.

Roll the dice to find out how many lightsabers that they take to Luke Skywalker

to save the planet of Tattooine.

- Record what happens: 8 – 3 makes 5 lightsabers left behind the wall.
- Prove it! 8 — 3 = 5 because 5 + 3 = 8
