**A Note from Rick:** We had a tremendous group of cattle to sell and the prices reflected that. The weather was hot and so was the sale ring! It was a long day, but it was great to see TLA sell for 8 hours straight again! . We have a great group of employees that worked hard and we really appreciate that. We have some kinks to get worked out and lots of areas to improve, but overall we are very happy with the results. Thank you to all of the consignors and buyers who gave TLA a shot. We look forward to your continued business.
