## **ABA Para Professional – Robbinsville, NJ 08691**

Proud Moments is a Behavioral Health Care Agency providing home based services for clients throughout New York and New Jersey. We are seeking ABA Techs to join our team of caring professionals, to provide ABA services for children with autism under the guidance of a behavioral supervisor (BCBA).

### **Case Schedule:**

Part time, Mon-Fri 6:00-7:15 AM

### **Job Responsibilities:**

- Attend Professional Development Trainings, as required
- Work collaboratively with a BCBA supervisor to implement basic principles and teaching procedures of ABA therapy
- Arrive on time and prepared for therapy sessions
- Provide in-home, and community-based Applied Behavioral Analysis therapy
- Collect behavior and skill acquisition data during sessions
- Be responsive to the needs and requests of clients, their families and supervisors
- Be goal-oriented and maintain professionalism in all aspects of your work

### **What we offer:**

- Professional development and ongoing supervision in the emerging field of Applied Behavior Analysis (ABA) working with individuals on the autistic spectrum.
- A flexible, part-time schedule
- A rewarding experience helping children and families reach their full potential
- Many cases are within close proximity to your home

### **Qualifications:**

A high school diploma or its equivalent **AND** 2 years of full-time, direct, supervised work experience providing services to children and/or adolescents

**OR**

An Associate's or Bachelor's degree in psychology, early childhood development, speech and language pathology, special or elementary education, or related field.
