### Governor's Proclamation Recognizes June 2, 2021, as Admiral Samuel L. Gravelly, Jr. Day in Virginia

Jay Fiedler, President of the Richmond Council, Navy League of the United States, welcomed guests and friends to a ceremony at the Virginia War Memorial on Wednesday, June 2, 2021, to recognize the 50th anniversary of the promotion of Samuel L. Gravelly, Jr. to the rank of Admiral. To recognize and honor the Admiral's many accomplishments, Governor Northam declared June 2, 2021, as Admiral Samuel L. Gravelly, Jr. Day in Virginia.

#### Statement from Governor Northam

*"I am pleased to honor Admiral Samuel L. Gravelly, Jr. for his many ground-breaking accomplishments. It took courage and patriotism to sign up for service after Pearl Harbor. Admiral Gravelly continued to display that courage with a string of firsts—from being the first African American commissioned from the Navy Reserve Officer Training Course, to becoming the first African American to command a U.S. Fleet. I'm proud that Admiral Gravelly is a Virginian, and I hope that on June 2, more Virginians will learn more about him and his leadership."*

## PRESIDENT'S MESSAGE

By Adam J. "Jay" Fiedler, M.D.

Things are really coming together! We had a great ceremony honoring ADM Gravely at the Virginia War Memorial, thanks to Pat Harris. He arranged media coverage, **USS GRAVELY** crew participation, the inclusion of three generations of ADM Gravely's family. The family was feted at lunch by **Pat Harris** and **me** at the Commonwealth Club. The Admiral's "adopted son" was present and we both remembered meeting on my first RCNLUSA cruise on the **GRAVELY**. I remember a skinny young man (neither now) who was an avid fan of the admiral. He was the one who put the idea in my mind of a statue to ADM Gravely on Monument!

Harvey Lankford remains hard at work behind the scenes; arranging a visit to USNS Comfort for MSCLANT change of command for Pat Robson and Harvey.

We encourage only vaccinated individuals to attend our Summer Luncheon, 30 June at Willow Oaks. See *The Lucky Bag*/web site: sign and y'all come.

Stayed tuned: there may be an air show coming up in September. ✍

## CHAPLAIN'S CORNER

Chaplain John A. Harler, M.D.

The Declaration of Independence (DOI) was more than a declaration of independence from England, but a declaration from all tyranny. We note that if tyranny were to rear its ugly head in the United States, the DOI states that we have the right to throw it off. Power taken from the hands of the people and put into the hands of a few bureaucrats is not the way of the American Democratic Republic. Rather it is Socialism, Marxism, Communism, or as it is called today by its sanitized appellation...Political Progressivism. I always thought of progressive/progress as growth towards something worthwhile. I think that the current progressive movement is a regressive movement seeking a one-party system over which they are in charge. Socialism is not a friend to the church, because Christ gives freedom to the soul, and they cannot control that. **"If the Son sets you free, you will be free indeed"**. John 8:36 ✍

### NAVY TALENT ACQUISITION GROUP (NTAG) RICHMOND HOLDS CHANGE OF COMMAND CEREMONY

RICHMOND, Va. (April 30, 2021) – Navy Talent Acquisition Group (NTAG) Richmond held a virtual change of command ceremony where CDR Charles R. Harmon relieved CDR Kristopher D. Klaiber as commanding officer.

When Klaiber assumed duties and the commanding officer and Harmon checked in as the Executive Officer 20 months ago, things were completely different than they are now.

They stepped into a command, Navy Recruiting District Richmond, which was having difficulty meeting their recruiting goals and one operating and structured a completely different way than it is now.

As if that weren't enough, they were faced with and are continuing to deal with the challenges brought on by COVID-19 beginning in March of 2020.

However, through their leadership and the tenacity of their recruiters, an amazing thing happened, they started making their monthly goals and were one of the few recruiting districts nation-wide who achieved their annual goal for 2020.

Klaiber said he couldn't be more proud of how our recruiters rose above the challenges they faced in 2020.

He added recruiters not being able to go to schools, shopping centers, take part in job fairs, or people being nervous to even step into a recruiting station, made an already difficult job exponentially harder.

"You have taught me what the true definition of resilience looks like," Klaiber said

to his command via Facebook Live. "Thank you very much for placing your trust in me to guide us as your commanding officer these last 20 months."

Harmon, no stranger to recruiting, previously worked at the Military Entry and Processing Station Beckley in his native West Virginia, served as the Executive Officer for NRD Richmond/NTAG Richmond, relieved Klaiber.

Some of Harmon's previous tours include one of the first Ensigns in the Human Resource Community at the Navy Personnel Command, Enlisted Programs Officer at Navy Recruiting District Pittsburgh, Officer in Charge of Special Operations Command in Doha, Qatar, and the N131 Officer of Plans and Policy in Washington, DC, just to name a few.

Harmon thanked team Richmond for accepting and supporting him in his role as their Executive Officer and said he was excited to serve as their Skipper.

"I believe you are the greatest group of Sailors and civilians I have served with in all my 29 years," he told them.

Harmon added that the commands dedication to the mission is amazing; they are by far the best NTAG in Navy recruiting and they prove that month after month.

"Thank you so much for all that you do, not only for our Navy but the communities and citizens you serve," he said.

Headquartered in Richmond, Virginia, NTAG Richmond's mission is to man the Navy fleet with the highest quality Sailors and maintain the Navy's unchallenged worldwide maritime superiority and ability to win wars, deter aggression and maintain freedom of the seas. NTAG Richmond operates three Talent Acquisition Onboarding Centers, 41 Talent Acquisition Stations, and eight Navy Officer Recruiting Stations throughout Virginia, Southern Maryland, and Northern North Carolina. ✍

**ADM Gravelly Proclamation Day  
continued from page 1**

**Samuel L. Gravelly, Jr.**

4 June 1922 – 22 October 2004

Naval Historical Foundation

Vice Admiral Gravelly was born and raised in Richmond, VA in 1922. He joined the Navy in 1942 and rose from the rank of Seaman to Vice Admiral. In addition to being the first African American Admiral, he is also the first African American to command a US Navy warship (**CHANDLER DD-717**), the first African American to command an American warship under combat conditions (**TAUSSIG DD-746**), the first African American to command a major naval warship (**JOUETT CG-29**), the first African American to rise to the rank of Vice Admiral, and the first African American to command a U.S. Navy Fleet. He retired from the Navy in 1980, died at age 82 in 2004 and is buried at the Arlington National Cemetery. The Navy honored Admiral Gravelly in 2010 with the commissioning of the destroyer **USS GRAVELLY (DDG-107)**, named in his honor.

The Gravelly Proclamation event was sponsored by the Richmond Navy League Council with the support of the U.S. Navy and the Virginia War Memorial. The Governor's Proclamation was read and presented to Commander Corey Odom, Commanding Officer, **USS GRAVELLY (DG-107)**. Commander Odom and Laurette Cain Johnson Turner, a niece of the Admiral, recognized the many accomplishments of the Admiral's naval career as played in and personal life and the role he

breaking down barriers in the military for African Americans and other minorities. A quote from Admiral Gravelly on the wall of the main hall of the Virginia War Memorial provided an excellent backdrop for the event.

*"When you stand and fight for America you're defending an America that is not perfect...but it's better than any other country I know".*

Approximately 40 people attended the event. Five members of the Gravelly family, including Ms. Turner, his daughter Tracey Gravelly and other nieces representing three generations of the family, were present. The U.S. Navy was well represented by Commander Odom, Richmonder LTJG

Connor Partlow and three other **GRAVELLY** crew members. Several Navy officers and enlisted personnel from Richmond area Navy offices were also present. There was excellent media coverage with television stations WTVR-6, WRIC-8, WWBT-12 and WVEC-13 (Norfolk) and WHSV Channel 3 (Harrisonburg) reporting on the event. The *Richmond-Times Dispatch*, *Stars and Stripe* and the *Daily Press* (Hampton Roads) reported the event in their publications. Naval Surface Force Atlantic (SUFLANT), the Defense Visual Information Distribution System and the Virginia War Memorial posted stories of the event on their websites.

**MANY THANKS** to the following individuals for making this event a **HUGE** success: **Pat Harris, Richmond Navy League USS GRAVELLY Liaison; Jim DeAngio, Deputy Public Affairs of Surflant; Jeb Hockman, Communications Director of the Department of Veteran Services; Director Clay Mountcastle and staff of the VA War Memorial; Naval History and Heritage Command; The Black History Museum and Cultural Center of VA; the AMERICA Division Sea Cadets and Governor Ralph Northam who issued the proclamation. Our important recognition of ADM Gravelly could not have been possible without the help of all these people.**

### USS CARTER HALL (LSD-50)

CO: CDR LaDonna M. Simpson  
XO: CDR Brad A. Fancher  
CMC: CMDCM Adam Singleton

Pat Robson, Liaison

Greetings from the FIGHTIN 5-0!

Since our last update, the **CARTER HALL** has trained with allies, certified our people through qualifications, celebrated the National Day of Prayer & Mother's Day; all the while faithfully executing each and every tasking passed our way. We've had the privilege of participating in exercises which promote international partnerships, strengthening the images of our allied nations, and assisting in their recruiting efforts through bi-lateral exercises and media events. Through the endeavors of our Blue-Green Team, we are reinforcing and renewing the image of our own military to the American people. This past month brought the FIGHTIN' 5-0 to Rota, Spain and Souda Bay, Greece. As we have done so, the fourth of the CAPTAINS four Guiding Principles rings true: **Cultivate Your Connections**. She stated, "We need each other, **CARTER HALL** is stronger when every Sailor is linked to professional and personal connections. Connections provide a sense of identity and belonging...Relationships build trust and trust is the foundation of high functioning teams." There can be no true or lasting success without the

assistance of others, thus we have allies all across the world. Those in our corner are not simply those "across the pond", or even other nations; they are the families we come from, the friendships **professional and personal** which **provide a sense of identity and belonging**. I believe the **CARTER HALL's** partnership with the Richmond Navy League supports our capacity to be a **high functioning** crew.

This month to come promises to be a busy one; that much is certain. Nonetheless, the crew of LSD-50 will meet the matter head on, and "Find a Way, or Make One", as some of our embarked Marines like to say. Thank you once more for your dedicated and timely support to the crew; your continued investments in us and prayers for us, keep us making way in the best way possible!

We are: Working for Peace, Ready for War! ✍

Greetings from Team **GRAVELY!**

We are currently underway for SWATT (Surface Warfare Advance Tactical Training) as well as our Group Sail exercises. Both of these events will be with Carrier Strike Group 8, which is our deploying strike group. SWATT will hone the skills and level of knowledge developed during Basic Phase as we prepare for our upcoming deployment.

**USS GRAVELY** had the pleasure of welcoming Commodore of DESRON Two Eight, Captain Todd Zenner and family, on board for a special tour around the greatest ship on the waterfront. Captain Zenner was very happy with the visit and impressed with the professionalism and esprit de corps the watchstanders demonstrated while teaching his family about the capabilities of the ship.

On June 2<sup>nd</sup> the Governor of Virginia, Ralph Northam, declared "Vice Admiral

Samuel Lee Gravely, Jr. Day" throughout the Commonwealth of Virginia. This day commemorated the 50-year anniversary of VADM Gravely's promotion to Admiral. Members of Team **GRAVELY** were welcomed to the Virginia War Memorial in order to accept the proclamation from the Governor's Office, as well as give a few words about what it means to serve onboard **USS GRAVELY**.

**USS GRAVELY** has a busy summer of training ahead. In addition to SWATT and Group Sail, we will continue our preparation for deployment with Force Protection exercises, maintenance availabilities, and warfare specific training events. We continue to integrate our helo detachment, HSM 72 Proud Warriors, with our team, as we become a more tactical national asset.

The 56th Arleigh Burke-class guided-missile destroyer, **USS GRAVELY** is homeported in Norfolk and named after Vice Adm. Samuel Lee Gravely, Jr. Adm. Gravely became the first African-American to command a U.S. Navy warship, the first African-American to command an American warship under combat conditions, the first African-American to command a major naval warship, the first African-American admiral, the first African-American to rise to the rank of vice admiral, and the first African-American to command a U.S. Fleet. Thomas T. Hassell, Jr., Liaison  
Vaughan F. Dize, Assistant Liaison

Greetings from **USCGC NORTHLAND!**

During May, **NORTHLAND** continued to plug along in a busy maintenance period ahead of her next patrol. The crew

**USCGC NORTHLAND cont. on page 6**

## USCGC NORTHLAND cont. from pg 5

has been working extremely hard every day to ensure that the many discrepancies onboard are being corrected and fixed, including some that have been issues for a long time. In addition to all the repairs, **NORTHLAND** has also started to say goodbye to some shipmates while saying hello to new ones.

With transfer season, we were able to say goodbye and thank many shipmates for their hard work while stationed on our cutter. **NORTHLAND** is truly lucky to have a hard working and knowledgeable crew and many leaving will be missed. As for the crew that is sticking around, many look forward to introducing our new shipmates to **NORTHLAND** and helping them out in any way possible. New shipmates who have already shown up have already shown they are excited to get qualified and ambitious to help out in whatever way they can.

Overall, the crew is ready and excited to get back underway and start the mission in June. It's bound to be a busy patrol, but the crew knows all their hard work in port at home port will keep the cutter running optimally through patrol, allowing **NORTHLAND** to focus on the mission at hand. While there is still work to be done before the cutter is ready for patrol, **NORTHLAND** is confident it will get done well and we will be ready to sail.

Now that we have **NORTHLAND** ready for the patrol, we are looking forward to our Pre-deployment picnic. This event is focused on our crew and their families to prepare for our upcoming deployment. We have brought in many resources from the Coast Guard to talk to the crew, but we are most excited for our always entertaining talk from our Navy League Liaison, Tom Hassell. As always, thank you for the endless support. Fair winds and following seas! 🚩

Very Respectfully,  
XO LCDR Joshua DiPietro
