

## Stand By Me

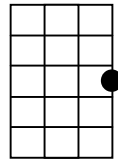

Am

G7

F

C

C                      Am

When the night has come  
And the land is dark

F                      G7                      C

And the moon is the only light we'll see  
No, I won't be afraid,

Am

No, I won't be afraid

F                      G7                      C

Just as long as you stand, stand by me.

*Chorus:*

So, darling, darling, stand by me,  
Am  
Oh, stand by me

F      G7                      C

Oh, stand, stand by me,  
Stand by me.

C                      Am

If the sky that we look upon  
Should tumble and fall

F                      G7                      C

Or the mountain should crumble to the sea,  
I won't cry, I won't cry,

Am

No, I won't shed a tear

F                      G7                      C

Just as long as you stand, stand by me.

*Chorus*
