## Youth Mentored Shooters

If you know of any Youth Shooters (at any skill level) that you would like bring to this match, please call us.. We will have several youth rifles available and will make accommodations for the skill levels of the youth shooters so they can be introduced to this type of shooting venue.. Each youth will need an adult mentor on the line at all times to coach and help with the course of fire. Call Bob Hartinger to reserve youth rifle, to register your youth shooters or if you have any questions.
