

# School Site Council Workshop

## Empower Your Voice: How to impact changes at your school.

### Presenter

Norma Sanchez, Ed.D  
Professional Development, and  
Instruction at California Teachers  
Association

This workshop will go over the importance of understanding your school site council's roles and responsibilities.

Discussion of highlights include:

- What are School site councils and how to join
- Measure, strategize and make effective goals
- Politics and how to resolve conflicts
- Revise improvement strategies & expenditures
- What are the new law changes and how they impact your council going forward
