Prayer

O Living God, we long to see you, lifted up in all your glory. Our lives are rocky voyages through these months of turmoil. Like the rolling sea, we give thanks for moments of calm amid the storm. In all circumstances, you are with us in every ebb and flow. We close our eyes and breath in your grace as we bolster our trust, not just on the surface but from the very depths of life. We thank you for your saving presence, and the haven you give in times of distress. Your gift of hope keeps us on course. Amen.

Prayer

O God, another morning has dawned, another night has fled. With the rising sun we lift our prayers to you. For those things named in our Joys and Concerns today, we know your presence. You capture the hearts of the people with the promise of love and your never-ending gift of grace. The gifts you bestow upon us are faith, hope and love. Help us when our strength is spent amid a pandemic, and careless people. Give us leaders that will inspire us with truth, dignity, respect, love and positive direction for us to live for the common good. We thank you for the gift of Jesus, who greets each person as siblings and summons us to do the same. Amen.

Debbie Raby

Let us join together in the prayer that Jesus taught us:

Our Father, who art in heaven, hallowed be thy name.

Thy kingdom come, thy will be done on earth, as it is in heaven.

Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us.

And lead us not into temptation, but deliver us from evil, for thine is the kingdom, and the power, and the glory forever. Amen.

Scripture Readings: I Corinthians 12:4, Galatians 5:22

Corinthians

Now there are varieties of gifts but the same spirit, varieties of service, but the same Lord. There are varieties of working but the same God who inspires them all in everyone. To each is given the manifestation of the Spirit for the common good.

Galatians

The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.
