DESCRIPTION: Popular Wing Thunderbird—the "Black Beauty". This one is from the Wing/AMF era featuring "compressed Wing-wood" (not the original bowflex/phenolic). Original lettering and decals in excellent condition. Great looking and performing recurve. No delamination; no cracks; limbs are straight. Overlay tips are in great condition. NO drilled holes. No stress lines in the glass or crazing. A few minor scratches, scuffs and blemishes. This is a really nice bow in excellent condition for its age.
