Showgirl – Annette Fitzgerald

I was born in Wagga in 1995 and my family returned to Nimmitabel when I was a baby. I am grand-daughter of Bill & Gaile Fitzgerald of Dalwood, New Line Rd and Kevin and Patricia Green of Doolondondoo, Kybeyan Rd. My parents are Tom and Margo Fitzgerald and I am the sister to Wal, Liz, Will and Jane.

I started school at Nimmitabel Public School. In year 5 I moved to St Patricks Parish School Cooma. I completed year 11 and 12 at Yanco Agricultural High School due to the agricultural and equine courses they offered.

After School I worked in shearing sheds for four months as a roustabout until my university degree started in February 2013. I moved to Wagga to study a Bachelor of Agricultural Business Management.

Due to family reasons I moved home in July 2015 and started at Elders as the Farm Supplies Sales Rep and completed the last six months of my degree through distance education and graduated in December 2015.

After I gained a year's experience with Elders, I commenced work with my family's business, Tom Fitzgerald Transport. With this job I have also started studying through the Cooma University Centre to get my Graduate Certificate in Accountancy and will graduate in September 2018.

I am a keen horse rider and competitor and spend most of my spare time with this hobby. Through this interest I am part of the Nimmitabel Show, Nimmitabel Campdraft and Nimmitabel Pony Club.

Our showgirl will be dressed by **Birdsnest** on Show day.

Rural Achiever Nominee – Tim Green

Tim come from an agricultural background as I grew up on several properties located in the Monaro district. Here my family runs a Merino sheep stud alongside Hereford beef cattle. Growing up and in more recent years when not studying I have spent the majority of my time working on farms around the district as a roustabout and farm hand. Through my work as a farm hand I have experience with tractor, truck, ATV, motorcycle, and ute operation, along with pest animal management and baiting, weeds management, fencing, and livestock handling.

Upon leaving school at the completion of Year 12

I began a Bachelor of Science Degree; Double Major in Plant Science and Microbiology/Immunology at Charles Sturt University in 2014. I completed this degree in the minimum amount of time at the end of 2017. My studies there assisted me in gaining skills within a laboratory and field setting and alerted me to current issues, policies and legislation surrounding the Australian agricultural sector.

Following work placement with the Wagga Wagga Agricultural Institute I then accepted a position working as a Technical Officer in the plant pathology division. It is through this position that I have gained a greater understanding of crop based field trials. Whilst working I have been involved with the collection of data including electromagnetic soil mapping, plant phenology, and sample collection in crops such as wheat, peas, lupin, barley, vetch, and canola. Furthermore, I have gained experience regarding experimental design, preparation, and set up.

Tim has found that the rural achiever process to be very interesting and looking at what he could do if named rural achiever 2018 and working alongside likeminded people like himself. He is very honoured to be representing his home town of Nimmitabel and his family which has a long-standing connection with the community of Nimmitabel.

2018 - CWA Moist Coconut Cake

Recipe for Moist Coconut Cake – must be used.

Ingredients:

125g butter
½ teaspoon coconut essence
1 cup castor sugar
2 eggs
½ cup desiccated coconut
1 ½ cup self-raising flour
1/3 cup milk mixed with 300ml
carton sour cream

Method

Grease a 20cm round cake tin and line base with baking paper.

Cream butter, essence and sugar in bowl until light and fluffy. Beat in the eggs, one at a time. Stir in half the coconut and sifted flour with half the mixed sour cream and milk, then stir in remaining ingredients until smooth. Pour mixture into prepared tin. Bake in moderate 180 degrees (or 160 degrees fan forced) for about 1 hour. Stand for 5 minutes before turning out to cool.

Ice with a white glaze icing, no decoration.
