

Connect IBridge App Setup Instructions

Download the Mobile App – Search Napco Security Technologies

1. Open Mobile app and press settings
2. Enter your Account # _____
3. Enter your Password # **Main User Code for Alarm System**
To change please contact our office
4. Enter Description - Home
5. Main Screen Should Appear. From here you may keep this view or change to Keypad Only View (We find easier and less steps to access)

- Open Settings (by arrow)
- Press Home
- Set Keypad as only View

6. Main Keypad View will appear when IBridge App is opened.
