

## **"SOLDIERS OF THE CROSS" MOTORCYCLE MINISTRY**

### **The "Cave" Ministry**

*The "Cave" was dedicated on February 20, 2009, as The Soldiers Of The Cross MM Clubhouse with SOTC Chaplain Bryan Jones in charge. Located in a warehouse on Joaneen Ave in Saraland Alabama, it rapidly became a place for meetings, memorial services, weddings, parties, and Saturday night "live" music events. It didn't take long for the Cave to expand into having Sunday morning worship services under the direction of SOTC Pastor Bryan.*

*Eventually the clubhouse became an independent church operating as, "The Cave Ministries," with Pastor Bryan as senior pastor. Moving from the warehouse to a church building on Airport Blvd, it continued to grow until 2016, where it has now found it's new home at, 601 Ziegler Circle, Mobile Al 36608.*

*Because of Pastor Bryan's prior drug-dependency life style and living on the streets at times, he understands drug & alcohol addiction, and reaches out to make sure all are accepted & welcomed within the 4-walls of the "Cave" church.*

*You will find the Sunday worship services at the "Cave" uplifting, with 45 minutes to an hour of worship music, where you can worship privately, or with uplifting hands, or as enthusiastically vocal as you wish. The sermons by Pastor Bryan are scriptural based and educationally fulfilling for all walks of life. Worship services are also held every Saturday night as well as special services throughout the month.*

*Pastor Bryan and his staff work with many of the rehabs in the area such as, Wings of Life, City of Refuge, & Home of Grace. They also help feed & clothe the homeless with regular visits to the down town area. Pastor Angela Jones (Bryan's wife), is very actively involved in the ministry as well, leading her crew of dedicated women participating in all ministry tasks above, as-well-as, visiting local strip clubs trying to reach out to young ladies for Christ.*

*Many of our **"Soldiers"** attend worship services at the Cave along-side other, well-known, biker ministries such as, The End Time Warriors. All clubs, motorcycle ministries, and "colors" are welcome in any worship service at the CAVE Ministries.*
