

November 2020

Apple Tree Prep-Athens

Dear ATP Parents,

It was so much fun seeing all of our students in their Halloween costumes! The children really enjoyed visiting our on-site "Pumpkin Patch" and picking a pumpkin. A "Special Thank You" to the families that contributed to the classes to make their October 30th celebration a success.

As Thanksgiving approaches, we would like to say that we are "thankful" to have your family as part of the Apple Tree Prep family. It is a joy to work with your children and to share a partnership with you as they learn and grow.

November is such a busy month for us all along with a calendar of events and a month full of learning. This month the classes will focus on the changes that occur with weather, Native Americans, Pilgrims, as well as the importance of being thankful. As we learn and discuss different things at school, you can assist your child with this month's studies by discussing the weather and all of the changes, the different foods that you eat at home, and the different things that you are thankful for.

Thanksgiving Luncheon

This year our Thanksgiving Luncheon will be a little different. It will be held within each individual classroom and only students will have the ability to attend. I would like to thank you all in advance for understanding.

During the week of Thanksgiving, your child's class will have a scheduled time to go live and allow you to enjoy joining them in the classroom (keep an eye on your email for details).
