Medal Outlook

Idris White owns 2 high ETR medals and now looks to finish his career with his first belt. Fellow senior **Kyle Mallon** was one round short of a medal last year and will challenge to get on the stand. Veteran **Tim McCall** is under consideration to be seeded and competes in a wide open weight class. **Trevor Elvin** is a solid wrestler, but faces a difficult task in the toughest and deepest field of the tournament. **Yedee Thaeenrat** may be interesting - he is an exceptional athlete with D1 offers in football. New to wrestling, he may surprise a few.
