

Forte Academy of Dance Competition Schedule 2019

We are excited to announce our competition schedule for the 2018-19 season! Please review the dates below. Ensemble numbers will compete in two competitions, and debut team and apprentice team in one.

Please plan to **keep your schedule free for the entire weekend** if you are scheduled to participate in a competition, as we will not know performance times until 1-2 weeks before the event. Please note that some competitions are Saturday and Sunday only, while others run Friday, Saturday, and Sunday, so please review and mark down the dates carefully.

Fees are due at the dates listed below to ensure that we are able to register before the competition is full. Competition fees will be added to your account balance due as of the deadline, so please plan for these amounts to be deducted via automatic payment on these dates.

Please also provide a copy of your birth certificate to the front desk by 11/15/18. We will need to have these on-hand at competitions in case anyone is questioned about their age and division placement. If you competed with Forte previously, you will not need to provide this again.

Good luck at competition!
