Age groups will be used in deciding team and individual awards. Team age group will be decided by the age of the oldest team member. The same number of ribbons will be given for each age group. Age the day of the match will be used to determine the age group for the individual and team awards. Example: An 8 year old may compete with a 13 year old on a team, but the team's eligibility would only be in the 12-15 team category; however, the 8 year old is eligible for individual awards in the 8-9 categories and the 13 year old in the 12-15 category.

Match Program subject to change as needed
