2018 September 14, 15 and 16

### Camping Registration

We have 8 spaces available at the range for dry camping. Please check our website [Www.BitterrootBuckaroos.com](http://Www.BitterrootBuckaroos.com) or call 406-531-4116 for current availability. Your trailer or motor home must be under 40 feet. The spaces will go to those who register first and who fits in the spaces available. (Some spaces are smaller.) The camping is primarily opposite the rifle range which opens at 8 am and closes at 6 pm. There isn't room for pull through spaces, so be prepared to back into position.
