

Upper Peninsula Labor-Management Council  
Scholarship Program for High School Seniors

Under the program scholarships will be awarded annually to the winner selected from the applicants who meet eligibility requirements. Annually, one \$500 scholarship will be awarded for the fall semester.

Any high school senior who has participated in a high school collective bargaining workshop is eligible to apply for a scholarship. Payment of the award will be made directly to the student upon providing the UPLMC with proof of enrollment.

All matters pertaining to the selection of the scholarship winner will be decided by the UPLMC Board of Directors and their decision will be final. The scholarship committee will review the applications and choose four to be presented to the Board of Directors. The Board of Directors will carefully consider each application on the basis of the selection criteria. Every applicant will be notified in writing of the outcome of the selection process.
