

EZ Pipe Markers™: Stick On Labels

Stick On Pipe Labels

Arrows & Tapes
On Page 11

EZ Pipe Markers are made using durable outdoor grade vinyl and aggressive acrylic adhesive with an extra heavy coating to ensure adhesion to a variety of pipe surfaces. Clean, Dry Surface and 50° F required for installation.

ANSI / ASME Compliance

- See Compliance Info Adjacent To Each Legend
- Select ASME Compliance Carefully
- * = ANSI / ASME A13.1 2007 Compliant
- † = ANSI / ASME 1996 Compliant
- Arrows Or Arrow Tape Required to Comply with ANSI / ASME (See Page 11)
- See Pages 3 & 4 for ANSI / ASME Information

Advantages

- Aggressive Adhesive Will Stick To Most Surfaces
- Slit Liner For Easy Peel
- Use In Conjunction With Arrows To Comply With ASME A13.1
- No Minimums On Stock Or Custom Orders
- No Custom Set Up Charges
- Markers Are Sold Individually
- Same Day Shipping
