HELMET REGULATION

All riders, youth and adult, must wear a properly fitting equestrian helmet, passing or surpassing current applicable ASTM/SEI (American Society for Testing and Materials/Safety Equipment Institute) standards, with chin strap secured, while mounted at any time/anywhere on the competition/event grounds.

The Burlington County 4-H Youth Development Program, Burlington County 4-H Horse Advisory Council, Horse Show Committee and officials, make no representation or warranty, express or implied, about any protective equestrian helmet, and cautions riders that death or serious injury may result despite wearing such equestrian helmet as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

For our youth riders under 18 years of age, it is the responsibility of the parent or guardian to see to it that the equestrian helmet worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. Riders over age 18 are responsible for their equestrian helmet complying with the standards. The Burlington County 4-H Youth Development Program, Burlington County 4-H Horse Advisory Council, and/or Show Committee, and officials are not responsible for checking equestrian helmet for such compliance.

I, the undersigned rider, parent, guardian, understand that I am responsible to verify that the equestrian's riding helmet complies with appropriate safety standards for protective headgear intended for equestrian use. I further attest that the helmet is an ASTM/SEI approved equestrian riding helmet that is properly fitted to the specific entrant and in good condition.
