The following is a summary of our office policies and our financial agreement with you as the client/patient/responsible party.

### (client initial) INSURANCE & PAYMENTS:

We file primary insurance as a service to our clients/patients. We do not file secondary insurance, as this is the responsibility of the client/patient. Although we may estimate what your insurance carrier might pay, it is the insurance company that makes the final determination of your eligibility.

It is the client's/patient's responsibility to determine if his/her insurance provider is in network with Total Life Counseling and the individual counselor and to know his/her individual copayment/deductible amount before the initial visit.

All copays/deductibles are due at the time of service.

Failure to provide timely and accurate information about your health insurance as well as any
updates can result in you being totally responsible for the cost of services provided. Many
insurances require billing to be done in a "timely manner" and will not pay claims submitted after
the allotted time.

You can choose to complete payment by cash, check, VISA or MasterCard, Discover on the day treatment is rendered. We do not accept post-dated checks.

Unless we approve other arrangements in writing, the patient balance on your statement is due and payable when the statement is issued and is past due if not paid by the end of the month.

## \_\_ (client initial) REFERRALS/AUTHORIZATIONS:

If your insurance company requires a referral from your physician or an authorization to begin treatment, please get the required information before the initial visit. Total Life Counseling may not be able to re-submit claims if complete information is not given.

## (client initial) MISSED APPOINTMENTS:

We require a 24-hour notice if you are unable to keep your appointment. This is a charge that your insurance company does not cover. A late cancellation or missed appointment charge is \$55.00.

### (client initial) OPTIONAL SERVICES:

As a service to our clients/patients, optional services are offered by counselors and staff at Total Life Counseling, but may not be covered by your insurance company. Examples include, but are not limited to: Teletherapy sessions, counseling sessions by telephone, request for letters written on behalf of a current client, request for forms, request for copies or request to appear in court. The fee schedule is listed at Total Life Counseling, as needed. All fees are due at or before the time of the service.

#### **MONTHLY STATEMENT:**

If you have a balance on your account, we will send you a monthly statement. It will show a previous balance, any new charges to the account and any payments or credits applied to your account during the month.

## **PAST DUE ACCOUNTS:**

Outstanding balances over 90 days may result in a referral to our collection procedure. If we turn the account over to our collection process, any fees, including court costs, attorney fees, and collection fee of \$40, accumulated as a result of failure to pay will become the client's responsibility.

### **DIVORCE:**

In the case of divorce or separation, the party responsible for the account prior to the divorce or separation, remains the responsible party for the account. After a divorce or separation, the parent authorizing treatment for a child will be the parent responsible for those subsequent charges. If the divorce decree requires the other parent to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent.

#### **WAIVER OF CONFIDENTIALITY:**

If we are forced to submit a past-due account to our collection agency, or if past due status is reported to a credit reporting agency, the fact that you received treatment at our office may become a matter of public record.

#### **CHARGES:**

Charges range from \$125.00 to \$145.00 per session, depending on the length of your session. Sessions typically are 45 minutes to 60 minutes in length depending on which counselor you see and the immediacy of the problem. Charges for resident counseling sessions are \$50.00.

#### **TESTING:**

The cost for psychological tests ranges from \$30.00 to \$75.00. **Some insurance policies will not cover testing therefore the patient will be responsible for the fee.** The test, PREPARE/ENRICH, used for premarital counseling and marriage enrichment, has a different fee schedule. The cost of this test is typically not covered by insurance.

#### **HOSPITALIZATION:**

For acute mental and emotional problems, inpatient hospitalization may be necessary.

#### **RETURNED CHECKS:**

There is a \$35.00 fee for returned checks plus any additional fees charged by banks or lending institutions.

#### TRANSFERRING OF RECORDS:

We will, with a properly signed release of information, release copies of records to another counselor, doctor, attorney, court, or insurance company. Your authorization allows us to include all relevant information, including your payment history. If you are requesting your records be transferred to us, you authorize us to receive all relevant information, including your payment history. There is a fee for this service.

### **CO-SIGNATURE:**

If another person signs this agreement, or another financial policy, that co-signature remains in effect until canceled in writing. If written cancellation is received, it becomes effective with future charges.

## **THIRD-PARTY BILLING:**

A signed release of information must be on file and a letter of commitment from the third party must be received before we can bill a third party.

#### **EFFECTIVE DATE:**

Once you have signed this agreement, you agree to all the terms and conditions contained herein and the agreement will be in full force and effect.

I acknowledge that I have read this summary and agree to its conditions.

I also grant permission to exchange information necessary for reimbursement with my insurance company and I understand that I am responsible for any charges not covered by insurance. I also authorize my insurance company to pay directly to TOTAL LIFE COUNSELING, INC., reimbursement of charges for services rendered.
