General Meeting

This month's program we will be presenting the "Mary Patten Valiant Ship" Award and will be featuring John White, Program Administrator and Steve Fuchs, SR 167 Completion Project Manager for the Puget Sound Gateway Program, a \$2.7 billion WSDOT Megaprogram composed of completing the State Route 167 corridor in Pierce County and State Route 509 corridor in King County.

John's 30-year career with WSDOT includes over 17 years in senior management and leadership roles on WSDOT Megaprograms. John holds master's and bachelor's degrees in civil engineering from the Florida Institute of Technology and is a registered professional engineer in Washington State.

Steve has worked for WSDOT since 1991 and has spent most of his time in design and construction of highway improvement projects. He has worked on projects all over the Olympic Region from Sequim to Ashford.

Welcome New Board Governor

Chris Schenk, GSC Logistics
