

# 2018 CTDA Youth Sheep Production

June 16<sup>th</sup> – Cameron, TX

The goal of this division is to showcase the production of Dorper females and their offspring. Producers appreciate traits such as excellent daily gains, early maturing, fertility and feed efficiency. A record book of production, daily gains from birth to show date and associated costs to produce each animal will be kept and turned into the show secretary by June 8th, 2018 for judging before the live show and interview.

Final placings and determination of “Champion sheep producer” will be based off of a combined score of the following:

Live show Ewe & Offspring (50%)

Interview (20%)
