

Baisakhi Open WCG Organizers and Participants:

It is my pleasure on behalf of the board and membership of British Columbia Golf to offer you best wishes for a successful 2017 Baisakhi Open World Cup Golf Tournament in Los Angeles.

The organizing committee and the chapters of the International Punjabi Golf Associations are showcasing how the sport of golf can be properly used to promote camaraderie and to support charity.

British Columbia Golf Director Jolly Dhaliwal is excited to be participating in the event and is looking forward to meeting new as well as renewing acquaintances with Punjabi Golf Association members from around the world.

It is commendable that, as organizers, you have grown participation to the level where you now have golfers who attend the Baisakhi Open World Cup from regions around the world.

Once again on behalf of British Columbia Golf I offer you congratulations and we wish all competitors a rewarding and enjoyable experience.

Yours Truly,

Patrick Kelly, President
British Columbia Golf
