

March 2018 Newsletter

Havoc Parents and Players,

Please take a moment to catch up on last month's Havoc News.

- **Tournaments**
- **Havoc Cares**
- **Open Gym**
- **Family Night: May 18th at the Ozone**
- **Havoc Invitational Tournament**
- **April Birthdays**
- **Help Wanted**

March Tournaments

Havoc HS

The Havoc High School team got their first taste of play going 1-2 in the Zero Gravity Tournament on March 24th and 25th. Both of the losses were within a few points, as the arrow is pointing up for Coach Mayhew and his high school girls.

Havoc 2022

The Havoc 8th graders went 2-0 in the Manassas Tournament on March 10th with 2 strong victories. They went down 8-0 in the first game, only to come back and pull out a 39-28 win. They went on to play in the March 24th and 25th Zero Gravity Tournament finishing 2-1 there. They revenged a loss from last year in the Havoc Invitational by beating TNT 38-12. They ended up losing in the championship game. The passing and teamwork for the 2022 team has improved greatly as the season has progressed.

Havoc 2023

The 7th grade team went to Manassas and went 1-1, as they broke the 3/4 court press and consistently drove to the basket. They fell a little short in the 2nd game versus EBA. They have become more spatially aware and are starting to read the defenses well with their cutting.

Havoc 2024

The 2024 team is getting plenty of experience this year, as the team has already played in more tournaments this year than last. The team is continuing to improve, as we had our best effort last weekend going 2-2 and making it to the Championship game. Even though we didn't win, the effort by the team was great.

Havoc 2025

The 2025 team has added several new players who have helped to raise our overall talent level. Each tournament, we are getting better and better! The coaching staff is very excited to see our growth and are optimistic for the future months.

Havoc 2026

The Havoc 2026 team has been formed and is working on skills and technique. They are an enthusiastic group that have the makings of another quality group of Havoc kids. Coach Kristin has made practices fun as well as educational. Looking forward to seeing them grow and improve throughout the rest of the season.

Havoc Cares

Havoc Cares participated in another event this month headed by Dianne Melia. The 5th, 6th and 8th grade Havoc Teams packed food for the backpack program in Hanover for students who struggle with hunger. The backpack program is designed to give kids a conspicuous way to bring home food for the weekend in homes that food is scarce. Havoc Cares was able to complete the needed amount to finish out the school year thanks to the donations and help of the Havoc parents and players!

This month Havoc Cares will be participating in an Adopt-a-Road project with the 4th, 7th and High School teams. That will take place on April 14th at 9am. Please contact Merideth Powell for more details (merideth.powell@capitalone.com)

Open Gym

We will have open gyms again this month at Hanover Academy (117 Frances Rd, Ashland, VA 23005). It is a great time to get some extra work in. Please do not enter the facility until the start time of the event at the request of the school's officials. That goes for practices as well as we transition there while St. Joseph's Villa is being remodeled.

May 18th Havoc Family Night at the Ozone

Make sure you mark your calendars as Hanover Havoc will have a family night on Friday, May 18th at the Ozone. Each family needs to bring a dish, while the kids play games and enjoy other activities. The party will go from 6-9pm. Looking forward to seeing everyone there!

Havoc Invitational Tournament

Hanover Havoc will host its 2nd Annual Havoc Invitational Tournament on May 19th and 20th. All games will be played at Lee-Davis. We will, over the next few weeks, start asking for help from our parents with check-ins, concessions, and entry.

April Birthdays

Shannon McKeever (2026) 4/3
Adrianna Randall (2024) 4/5
Sierra Coppage (2023) 4/7
Kaitlyn Norman (2023) 4/10
Gracie Pappas (HS) 4/11
Kalei Taylor (2025) 4/12
Allison Schools (2025) 4/16
Emily Mott (HS) 4/16
Karlyn Borden (2024) 4/24
Katie Gaeth (HS) 4/24
Samantha 'Sam' Krines (2024) 4/26

Make sure you wish all of these girls a happy birthday!

Help Wanted

Thanks to Jessica Bennett, Reagan Bennett's mom from the 2024 team, for taking over the fundraising for Havoc. She has some exciting things planned to help ease the cost of the organization. If anyone is interested in helping Jessica please contact me (dfordva@gmail.com). Also, Elizabeth Campbell, Catherine Campbell's mom from the 2022 team, has volunteered to help organize the Havoc-run tournament, She will need plenty of help with planning and volunteering. Please reach out to me if you can be of service.

Thanks and Go Havoc!
