Well said Mr. Shewmaker.

As a Hispanic female I'm insulted by this ridiculous lawsuit. I guess I'm suppose to vote for Hispanics, even though I dont feel as they do. I'm so disgusted

The writer of the editorial completely misses the point of our city not wanting districts.

From a point of representation in our small community we end up with 1 one person, not 5, representing us. If I have a problem in my areas I have ONE person to approach, not FIVE.
