PURPOSE

The purpose of the District Conference is to engage SkillsUSA Members in leadership opportunities. Students will be part of the Kansas Delegation election process in electing district officers, meet business partners, and network within fellow members across the district. Those choosing to run for district officer, must complete the District Officer Application and submit a one-page resume upon arriving at the District meeting. Running for an office of SkillsUSA can be one of the most rewarding experiences for a student. Students must come prepared by submitting a signed application, and a one-page resume. They must be prepared to give a speech before the district delegation.

NOTE: Due to the status of running for district office, we will only accept complete applications.

District Officer Responsibilities require attendance at the Fall Leadership Conference in October, where one will serve as a voting delegate in electing State Officers and lead district meetings. They will also be required to assist on the Courtesy Corps at the Kansas State Championships Conference in April.
