A Word from Rev. Jackson:

Greetings in the Name of Our Lord Jesus Christ:

Welcome to Fall! Autumn in New England refreshes our spirit through the beauty of God's creation!

There are many lessons we can gather from the falling of the leaves. As temperatures change and brisk cool nights fill the air, the leaves change into a bright array of colors. Then in a few short weeks, they fall to the ground and November arrives. We mistakenly assume that the trees are now dormant for the winter. However, one of the purposes for the leaves falling is to make room for new growth. Once the branches are bare, they are now prepared to welcome new buds that are starting. This process starts as soon as they leave the tree.

Paul understood this concept when he wrote to the church at Ephesus:

“when you heard about Christ and were taught in him in accordance with the truth that is in Jesus. You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness”. Ephesians 4:21-24

How do we make this change in our spiritual life so new growth can happen? It starts with letting go of the things that are hurting our walk with Jesus. This is what Paul was referring to when he said “put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds”. We all possess a corruptible “old self”. So what can we do to be made “new” in the attitude of our minds?

We might examine those things that are causing us to lose our focus on Jesus. How are we spending our time? What are the distractions that keep us from going to church, praying or reading the Bible? If we hope to be “made new” in our Christian attitude, then we must “put off” the old self that may be corrupting our relationship with Jesus. Only we know what those things are and the Holy Spirit will open our eyes to what needs to change if we say “yes” when He touches our heart. In other words, the old leaves must fall so new life can begin.

I pray you will join me this autumn as we pray out the “old self” so that we can put on the “new self” in the attitude of our minds. So you see, there's a lot we can learn from a tree and a leaf!

See you in church!

Because He Lives,
Rev. Bob Jackson

A note from Beth:

**Dear Friend's,
After 12 ½ years of cleaning the church I am saying farewell. I would like to thank each and every one of you for allowing me to be a part of your 300 year history. I have made many friends and I am grateful for my time here. I wish you all well.**

Concordia's Closet

It is here and counting-the number of Sundays to drop off your Concordia's Closet donations. The number is 7, the whole month of October thru November 10, 2019.

One question that comes up each time we collect the clothes is...can they be for the past season and not the one coming up? YES, all donations are appreciated.

Because of the wide range of ages in need, everything will find a home. Remember the phrase, we need your donations for ALL seasons, ALL sizes, and ALL ages. Adding accessories to complete an outfit, business attire for both men and women starting a new job, or interviewing is most welcomed.

Have you asked your neighbors or family members to help? They need a place to donate their gently worn/used items also and it will help us fill the Explorer on the 12th of November.

Please leave your bags on the stage, on the kitchen side, by the signs and far away from the heaters on the back wall.

If there is someone needing help getting their bags to the church, call Linda Ann at 508-832-6785 and we will make arrangements to pick up their donations.

Happy Closet Cleaning, by November 10th!

Laundry Love

Thank you for providing the “suds” for the tubs with your donations of 9 large jugs of detergent and 2 boxes of dryer sheets. That will go a long way on Laundry Love night, to help the families with the back to school and sport crunch.

Along with the jugs of detergent, please consider the items for the zip first aid kits. Scrapes, blisters, and bumps from the playground to the field sports need extra attention. Boxes of those items are not easy to come by for many families, so the made-up zip kits are the answer. We need: Band-Aids, alcohol wipes, tubes of antiseptic ointment, 2x2 gauze, 2x2 non-stick gauze, and zip lock bags.

As the weather turns cold the small ones are there also and the staff appreciates items to keep them busy. Activity books, crayons, small books, framed puzzles, and basic flash cards like numbers, colors, and shapes are ideal.

Flu season is starting early so pocket-size hand sanitizers and creams are high on the need list.

The last day for your October donations is Sunday, October 6, 2019 for that week’s delivery. Cash donations to Linda Ann please.

The Church Mouse

Greetings to my church friends, Hope you are ready to enjoy the autumn season. The trees are really beginning to put on their colors. Mums and pumpkins are appearing on doorsteps. There is a crispness in the air. I love it. There has been lots of activity around the church as many have returned from their summer hiatus. It says in the hymn, Our God, Our Help in Ages Past, "a shelter from the stormy blast and our eternal home." I am glad to have found a home here at First Church to protect me from the stormy days and I know beyond a shadow of a doubt that my final home is in heaven. We are indeed blessed that God loves us and protects us. Psalm 90:14 says, "O satisfy us in the morning with Thy loving kindness. That we may sing for joy and be glad all our days." I look forward to hearing that singing.

Let's talk next month. Your faithful church mouse,
Nick
