

A 7-11 Cultural Experience

Retold to Linda Parker Horowitz

Mitchell is standing in line at the Van Nuys 7-11.

Black woman standing behind him: Damn. You gotta nice ass. I ain't never seen a ass like that on a white boy before. Even my son ain't got a ass like that!

Mitchell: Yea. Years of soccer will do that to you.

Woman: Well, I gotta join me a soccer team t'get me a ass like that!

Mitchell gets to the register to pay.

White Guy Cashier: In all of the months I've worked here, that is the strangest thing I've ever heard.
