

Philippine Products Importers, Distributors and Retailers Participate at the *Kapihan sa Konsulado*

13 February 2019 – The Consulate hosted the 6th series of the *Kapihan sa Konsulado* with importers, distributors and retailers of Philippine products in B.C. In explaining the objectives of the *Kapihan*, Consul General Maria Andrelita S. Austria (5L) said that she hoped to understand the challenges they faced and explore ways to improve the footprint of Philippine products in the province. The *Kapihan* also provided an opportunity for the business executives to network. Newly-launched KAPE, the sole Philippine coffee importer in Vancouver which supplies premium single-origin coffee from indigenous coffee growers in Benguet and Davao, kindly sponsored the coffee for the evening.
