Breakfast through Dinner

Welcome to Cottonwood Station, a reproduction living history of an early day Kansas town. Developed and maintained by the Meriden Antique Engine and Threshers Association (MAETA), established in 1977. Our purpose is to preserve, through living history, early farming techniques, the appreciation of antique engines, occupations and cultures in small towns and rural areas of early Kansas.

No Meeting In July

Due to the National Meet in Iowa

August Meeting

Sunday, August 18, 2019 - 1:00

Perkins Restaurant, Independence, Missouri

Hosted by Marvin and Thelma Sword

A word from the Prez,

Hope everyone is doing well. It has been awhile since I had to sit down and write the prez words of the month. Thanks to everyone for allowing me to take over as president of the chapter again. It has been 10 years since the last time I was president. Spring is now here and summer coming quickly. Hope everyone has their Hudson's ready for the summer car shows. We all met last month at the "Cruise the Burg" in Louisburg Kansas, and had a good turnout at the meet. Four Hudsons – Jim's 50, John's 54, my 47 and Sword's 53. We want to thank John and Robyn for hosting the meet and bringing the fabulous cookies for everyone. They were a big hit. We also had Mel Wise and his friends along with the Sword's sons and their family attend the meet. We discussed our plans for our regional meet next year and things are coming together. We will need to put together a presentation for the regional meet at Nationals this year. John and Jennifer will be working on this. We met with the Abilene Chamber last week and we have the Train Depot reserved as our home base for the meet (June 11,12,13, 2020). They are going to help us out with goody bags for the meet and our presentation at the nationals. The hotel is set and our banquet dinner is also set. We will discuss details at our next meeting.

Our next show will be hosted by Jamie, Julie and Ellen Durand on June 8, at the Antique Engine and Threshers Assoc. Truck show in Meriden, Kansas. We would like to see as many Hudson cars for the show as possible as they will have an area for us to park our cars. Hope everyone is staying dry as the rain doesn't seem to want to stop. I look forward to seeing everyone at the next meeting.

Please get your reservations in for the National if you are planning on going. This really helps the host chapter get things put in place.

Keep the wheels rolling,

President Mike
