

Living in Hope Discussion Questions

Session 5 – Mary Martin – Hope and Parable of the Talents

1. Mary mentions the unique call that God has for each one of us to reach out to others. What is one of the gifts that you think God has given you to share hope and love with others?
2. What is one thing you learned about the Catechism of the Catholic Church's definition of the virtue of hope?
3. Mary talks about how hope is having trust in something beyond what we see right in front of us. What is one experience you have had where you were able to see and believe in something beyond what was right in front of you at the time?
4. Most of the times when we are afraid our instinct is to find something to "take" that will make us feel better. Why does it make sense that when we need hope the best way to find it is by "giving" or "sharing" our gifts or charisms for others?
