Senior Bills vs. Colts

The Bills battled the mighty Colts in another hard fought battle. The Colts jumped out to a commanding 20-0 lead at halftime. The Bills re-grouped and came out fired up in the second half. The Bills put up two touchdowns, one a nice catch by **Chance** setup by a long catch and run by **Clayton** from **Kyle**. The Bills scored again on a nice run by Tyler running backwards, eluding many Colt defenders. The Bills stopped the Colts with under a minute remaining getting the ball back but ran out of time. Defense was solid all day led by **Mike H** (Int, 3 flags), **Chance** (Int, 4 flags), **Kyle** (Int, 9 flags), **Aaron** (5 flags) and **Erik** (fierce pass rush). Coaches and parents were all proud of the Bills for their effort and never quit attitude, way to go Bills.

Senior Jets vs. Giants

In the first quarter of play, the Jets put up a valiant defense, but the Giants' blocking was too good and they made headway. Although some heroic flag pulls were executed by Erickson, Shoemaker, and other players, the Giants' offense was able to successfully execute some runs up the center, eventually scoring twice. By the second quarter the Jets had succeeded in stopping the run up the middle, but by that time the Giants had seized the momentum and they continued to push and score. Although their second extra point attempt failed due to an interception, a later punt return resulted in a spectacular return which ended in another score.

At this point the Jets were down enough that they decided to have some fun, and executed a strong-side play which confounded the Giants' defense. This was the start of a drive by the Jets which included 2 completed passes, and then an incomplete due to pass interference which resulted in a penalty against the Giants. This allowed the Jets to complete their drive and run the ball into the end zone for a touchdown. They were not able to get the extra point.

The third quarter started with a drive by the Jets, but they were unable to complete it with a score. The Jets were forced to punt and the Giants responded with a return which ended in another score. In the fourth quarter, the Jets' team finally pulled it together, but too late to turn the game. The Giants came close to another score, but were stopped in their tracks by 4 flag pulls in a row in the back field by Goddard and Simon. Although this resulted in the Jets' obtaining possession again, it was too little too late, and the Jets were unable to make another score. The ending score was Jets 6 Giants 34. Good job to both teams and good luck next week.

Junior Bills vs. Colts

This week the Junior Bills faced the Colts. The game got off to a rocky start for the Bills, with the Colts scoring first on a long touchdown run. The Bills defense then stiffened and denied the Colts from getting the extra point. So in the first quarter the Colt took an early 6-0 lead. However, the Bills roared right back on a long, time consuming drive with QB Chris Lymberopoulos scoring on touchdown run. The Bills were able to pull ahead by converting their 2 point conversion with a nice pass from Lymberopoulos to Ryan Buto. After that, the Bills defense took over and shut down the Colts offense with strong defensive line play from Oscar Medrano, Alex Fortunato and Levon Lang.

The Bills got moving again in the second half with Kenny Buto scoring on a long touchdown run. The Bills missed on the extra point, but were able to take 14-6 lead. The Bills struck again on what looked like a long touchdown pass to Ryan Buto, but unfortunately the touchdown was called back on a penalty. Coach Nick said, "The Bills blocking was much improved this week thanks to strong play at the WR position with Matthew Guevara and Nick Gougas providing solid blocking for their teammates."

The defense for the Bills again was solid, limiting the Colts for minimal offensive yardage. The Bills defensive line came up big with multiple flag pulls behind the line of scrimmage. Big plays on defense were made by Jared Segal and Tyler Russ.

With only four games left in the season, the Bills players know it's time to step it up, to make a run for the playoffs. Coach Gus was quoted as saying, "We'll be ready."

Junior Chargers vs. Saints

It was hot and windy day out on the gridiron for the game between the Chargers and the Saints. Both sides had their game faces on and were ready for a battle. As the Saints were warming up out on the field you could hear our team chanting “Chargers, Chargers, Chargers “ as they descended from the upper practice field. The first half was basically played in the middle part of the field as both teams could get a first down or two, but couldn’t get down to the red zone. The Chargers defense played especially well as they made some plays in the Saints backfield and broke up some pass plays. They gave up an occasional long run but never let the Saints get near the goal line. The first half ended 0 – 0.

The Chargers came out with a different game plan for the second half. After receiving the kickoff, they attacked the center of the field with inside runs and off tackle plays. The offensive line got into their opponents and held their blocks. The backs were explosively attacking the running lanes. Without using any sweeps or pass plays the Chargers drove straight down the field to inside the 5 yard line. Unfortunately a few penalties set us back and we couldn’t get the ball into the end zone. But the players gained some offensive confidence and the defense rode the momentum into a series of great defensive stands. After an interception by Jeff LaCroix the Chargers had great field position at the Saints 20 yard line. But the Saints were up to the challenge and didn’t allow the Chargers to get past their 10 yard line. The Saints took over with just a few minutes to play. After losing a couple of yards on their first two plays the Saints tried to go outside. The Charger’s defense shut down all the running lanes and the Saints’ running back was left scrambling in the end zone. Ethan Stroh tracked him down and made the play of the game for a defensive safety. The Chargers went up 2 -0. After receiving the kickoff the Chargers were able to run out the clock and celebrate. Chandler Stewart, Charlie Stelzmler, Chase Walian, Ethan Stroh, Grant Napieralla, Jeff LaCroix, Josh Williams, Lex Marcroft, Shane Nave, Tommy Kerr, Trent White, and Tristan Hicks fought hard for a Charger victory. GO CHARGERS, GREAT JOB BY EVERYONE!!!
