HOME CARE STANDARDS BUREAU RATES A to Z Home Care of Scottsdale, Arizona AN A+ RATED AGENCY:

With more than 20,000 home care agencies in the United States, finding the right one can be difficult. Home Care Standards Bureau (HCSB) has made it easier to find the best care available by rating non-medical home care agencies that meet the most stringent standards. A to Z Home Care is among a distinguished and limited national group of agencies to be recognized with an A+ rating from HCSB.

HCSB grants the A+ rating only to home care agencies that meet and adhere to a stringent code of standards and ethics. These standards include extensive background checks and annual training for all caregivers. Once achieved, A+ rated agencies such as A to Z Home Care must submit regular disclosure statements to ensure that all standards are being maintained- including proper insurance and state licensing. A+ rated agencies also are subject to planned and surprise audits by HCSB.

As an A+ rated agency, A to Z Home Care provides the highest standard of senior care, personal care, and respite care. They offer a wide variety of services, including companionship, light housekeeping, grocery shopping, medication reminder, errands, doctor visits, and specialty care to clients throughout the surrounding regions. HCSB is proud to recognize A to Z Home Care as an A+ rated agency for their continued dedication to meeting stringent standards that demonstrate their high level of professionalism and compassion.

The HCSB Board of Directors are: Dorcas Hardy- former appointee by President Ronald Reagan as Commissioner of Social Security; Ed Pittock- founder and former President of the Society of Certified Senior Advisors (SCSA); Gail Hunt- president and CEO of the National Alliance for Caregiving.
