Continued

Please check the appropriate box for the Blue Cross Medicare Supplement plan you are applying for:

Plan A* Plan C* Plan F Plan HD-F Plan N

*If you are currently enrolled in plan A or plan C, you can stay with your plan as long as you pay your premium.

You can enroll in plan C if you'll no longer be insured because you've become eligible for Medicare or if you've lost coverage under a group policy after becoming eligible for Medicare. You're also eligible if you had plan C, then enrolled in a Medicare Advantage plan, and now would like to return to plan C. You can do this as long as it's within the first 12 months of your Medicare Advantage plan.

You're automatically eligible for plan A if you're 65 or older. If you're under 65, you're eligible for plan A if you'll no longer be insured because you've become eligible for Medicare or if you've lost coverage under a group policy after becoming eligible for Medicare. You're also eligible if you had plan A, then enrolled in a Medicare Advantage plan, and now would like to return to plan A. You can do this as long as it's within the first 12 months of your Medicare Advantage plan. Refer to Section 6.

You'll need to meet these requirements and apply for these plans.

Unless otherwise indicated, coverage will begin on the first day of the month following approval of your application.

Month requested for coverage to start (must be a future date, but no more than 90 days into the future): _____.

You will receive an ID card and a Certificate of Coverage with a letter confirming your effective date and premium.

3 Regarding Medicaid coverage

If you are eligible for Medicaid, you may not need a Medicare supplement plan.

Are you covered for medical assistance through the state Medicaid program? Yes No

(Note: If you are participating in a spend-down program and have not met your cost share, please answer "No" to this question.)

If **yes**: Will Medicaid pay your premiums for this Medicare supplement plan? Yes No

Do you receive any benefits from Medicaid other than payment toward your Medicare Part B premium? Yes No

If **no**: Continue to section 4.

If, after purchasing this plan, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement plan will be suspended during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement plan may be available. If it is no longer available, a substantially equivalent plan will be reinstated if requested within 90 days of losing Medicaid eligibility.

If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the re-instituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

Additional Information

- You do not need more than one Medicare supplement plan.
- If you purchase this plan, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are eligible for, and have enrolled in, a Medicare supplement plan because of a disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan.
- If you suspend your Medicare supplement policy under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare supplement policy, or if that is no longer available, a substantially equivalent policy, will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Your coverage will automatically be renewed each year as long as you pay your premiums.
- To terminate your Blue Cross Medicare Supplement plan, please notify Blue Cross Blue Shield of Michigan in writing 30 days prior to termination.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and Medicaid.

Notice to applicant regarding replacement of Medicare supplement coverage

Blue Cross Blue Shield of Michigan
600 East Lafayette Boulevard
Detroit, Michigan 48226

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application or the information you have furnished, you intend to drop or otherwise terminate existing Medicare supplement coverage or a Medicare Advantage plan and replace it with a new certificate to be issued by Blue Cross Blue Shield of Michigan. Your new certificate provides 30 days within which you may decide, without cost, whether you desire to keep the certificate.

You should review this new coverage carefully, comparing it with all disability and other health coverage you now have. You should terminate your present coverage only if, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision.

Statement to applicant by Blue Cross Medicare Supplement agent, broker or other representative:

I have reviewed your current medical or health coverage as disclosed to me. The replacement of coverage involved in this transaction does not duplicate your existing Medicare supplement, or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan, to the best of my knowledge. The replacement plan is being purchased for the following reason (check one):

- Additional benefits
- No change in benefits, but lower premiums
- Fewer benefits and lower premiums
- Current plan has outpatient prescription drug coverage and am enrolling in Part D
- Disenrollment from a Medicare Advantage plan
Reason for disenrollment _____
- Other (please specify) _____
- Did not replace existing Medicare supplement coverage**

If, after thinking about it carefully, you still wish to drop your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the insurer to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed, and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new certificate and are sure that you want to keep it.
