Also, there are terrific coupon offers from our favorite businesses. The advertisers in the calendar are recommended. We love them and we're betting you will, too.

Helping Hands—From Martha Morin

This week we gave out 1 quilt to a hospitalized resident. That makes 17 this season. We bagged 5 quilts, 5 burp cloths, and 40 Chemo and infant hats for delivery to Driscoll Children's Hospital. As you travel home, remember Helping Hands can always use donations of gently used sheets, cotton fabric, 4 ply yarn, quilting & crafting books, motel toiletries & small items that would sell at craft shows.
