## Volume II

### ***Appendix A – Engine Application, Tags, and Colors***

Engine Application .....	A-1
Engine Serial Number Codes .....	A-2
Engine Tags .....	A-3
Engine Tag Samples .....	A-5
Engine Tag Numbers .....	A-6
Change Levels .....	A-8
Valve Cover and Air Cleaner Colors .....	A-10
Engine Colors .....	A-11

### ***Appendix B – Belts, Pulleys, and A/C Magnetic Clutches***

Belts .....	B-1
Generator & Alternator Belts .....	B-2
Power Steering Belts .....	B-3
Air Conditioning Belts .....	B-4
Air Pump Belts .....	B-5
Belt Identification .....	B-6
Pulleys .....	B-8
Crankshaft Pulleys .....	B-8
Generator & Alternator Pulleys .....	B-10
Water Pump Pulleys .....	B-12
Power Steering Pulleys .....	B-14
Air Conditioning Idler Pulleys .....	B-16
T/E Air Pump Pulleys .....	B-18
Air Conditioning Compressor Magnetic Clutches .....	B-19

### ***Appendix C – Carburetors***

Introduction .....	C-1
Carburetor Tags .....	C-2
Carburetor Applications .....	C-3
Replacement Carburetors .....	C-8
Carburetor Specifics .....	C-10
Carburetor Appearance .....	C-14
Carburetor General Notes .....	C-16
Carburetor Settings and Adjustments .....	C-17
Carburetor Spacers .....	C-22
Thermactor Hoses (1966/68) .....	C-23
“Air Gulp” System (early 1966) .....	C-24
1968 System .....	C-24
“Air By-pass” System (1966/67) .....	C-25

## ***Appendix D – Distributor***

Introduction .....	D-1
Distributor Applications .....	D-2
Distributor Appearance and Cam Settings .....	D-4
Distributor Replacements .....	D-5
Distributor Appearance Code .....	D-6
1968/69 Distributor Vacuum Systems .....	D-8
Distributor Advancement Characteristics .....	D-11
Ignition Wires .....	D-25

## ***Appendix E – Engineering/Casting Numbers***

Introduction .....	E-1
Cylinder Blocks .....	E-2
Timing Chain Covers .....	E-3
Cylinder Heads .....	E-4
Harmonic Vibration Dampers .....	E-5
Water Pumps .....	E-6
Thermostat Housings .....	E-6
Intake Manifolds .....	E-7
Exhaust Manifolds .....	E-8

## ***Appendix F – Fans, Spacers, and Viscous Clutches***

Fan Application .....	F-1
Full-sized Ford Fans .....	F-1
Fairlane Fans .....	F-2
Meteor Fans .....	F-2
Falcon Fans .....	F-3
Comet/Montego Fans .....	F-3
Mustang Fans .....	F-4
Cougar Fans .....	F-4
Fan Descriptions .....	F-5
Fan Spacers .....	F-8
Fan Spacer Markings .....	F-9
Fan Viscous Clutches .....	F-10
Fan Viscous Clutch Markings .....	F-12

## ***Appendix G – Camshafts***

Application .....	G-1
Camshaft Characteristics .....	G-2
Camshaft Mixing .....	G-3

## ***Appendix H – Cylinder Heads***

Introduction .....	H-1
Cylinder Head Types .....	H-2
Combustion Chamber Shapes .....	H-4
1967 289 HiPo Cylinder Heads .....	H-6
Compression Ratios .....	H-8
Milling Heads .....	H-10

## ***Appendix I – High Performance Options***

Introduction .....	I-1
289 High Performance .....	I-2
Factory 289 High Performance Exhaust Systems .....	I-16
1963/65 Fairlane HiPo Exhaust Systems .....	I-16
1964/67 Mustang HiPo Exhaust Systems .....	I-18
Exhaust System Kits .....	I-21
Engine Kits .....	I-22
Cylinder Head Kits .....	I-23
Induction Kits .....	I-24
Accelerator Kits .....	I-29
Camshaft, Piston, and Head Gasket Kits .....	I-31
Distributor and Oil Pan Kits .....	I-32
Clutch and Scattershield Kits .....	I-33
Valve Covers, Dress-up & Medallion Kits .....	I-34
Viscous Fans .....	I-37
1969 Performance Options .....	I-38
Installation of a High Performance Hydraulic Camshaft (C9OZ-6250-C) .....	I-40
Installation of a High Performance Mechanical Camshaft (C3OZ-6250-C or C7FE-6250-A) .....	I-40
Spring and Retainer Application Chart .....	I-42
Installation of 351 Windsor Heads on 289/302 V8s .....	I-44
Conversion of the 289 V8 into a 289/302 HiPo .....	I-46
Installation of GT-40 Valves in 351 Windsor Heads .....	I-48

## ***Appendix J – Technical Service Bulletins***

Technical Service Bulletin Table of Contents .....	J-2
--	-----

## ***Appendix K – Accessories Identification***

Introduction .....	K-1
Generators .....	K-1
Alternators .....	K-2
Air Conditioning Compressors .....	K-4
Power Steering Pumps .....	K-6

## ***Appendix L – Abbreviations, Sources, and Credits***

Introduction .....	L-1
Abbreviations .....	L-1
Sources .....	L-2
Credits .....	L-5

## ***Index of Photos and Illustrations***
