

Free Diapers through MA

If your special needs child is 3 years old or older & is using diapers because of developmental delays/medical reasons, they can receive free diapers through Medical Assistance on an ongoing basis. This is the company that is recommended:

Bright Medical (215-725-6337) Fax: 215-754-4651

Call your child's primary doctor & request a prescription for free diapers with the size, brand of diapers, and quantity needed per month. You'll need to give your child's MA insurance information, your name, address & contact information to the doctor. Have them fax this information to the above number. Diapers will be sent regularly.

Travel Reimbursement Program through MA

You can be reimbursed for all medical related travel, tolls, & parking used in your child's medical appointments, etc.! This is how ...

- Your child needs **Medical Assistance Insurance** for this program
- Call **MATP at 215-542-7433** to register. Check out: <http://matp.pa.gov/>
- All of your child's medical info will be acquired over the phone & you'll be mailed forms to complete & submit on a monthly basis for reimbursement. You'll be responsible to keep track of all of this info.

If you have questions/concerns, contact Mary Berlin MSW, LSW, Social Work Supervisor at 610-653-6331
