47th (Virtual) Annual Meeting
September 11-12, 2020

2020 (Virtual) Annual Meeting

After carefully evaluating the environment around us, the NESVS Executive Council has made the difficult decision to pivot and transform our fall Annual Meeting into a virtual event (**September 11-12, 2020**). Despite an overwhelming desire to be able to gather with colleagues and reconnect in person, we believe it would be irresponsible to do so at this time.

The NESVS Program Committee remains committed to highlighting the high impact scientific work that was accepted for presentation. We had an unprecedented number of very high-quality submissions. All accepted presentations will be presented in an online format that leverages audience participation and discussion. We also look forward to a special session with our Advanced Practice Providers, and will run a Postgraduate Course highlighting technical tips, all with full CME credit.

It is the Society's intent to bring together surgeons, physicians, researchers, fellows, residents, students and allied health professionals from around New England to discuss their latest clinical and research findings on various topics in vascular surgery and to collaborate to construct a robust program on current controversies or topics within the vascular community.

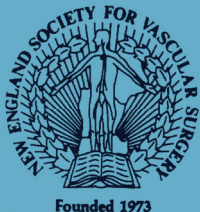

We hope you will join us, as your support will help to offset the cost of meeting production on this new virtual platform. Sponsors of the (virtual) Annual Meeting will have access to all the scientific sessions, the 2020 Postgraduate Course and the Allied Health Program which will be available in an online library.

Stay safe!

Marc Schermerhorn, MD
NESVS President

Application Deadline

All applications for Annual Meeting support must be received by **Wednesday, August 26, 2020**. Symposia timeslots will be assigned on a first-come, first-serve basis. Applications should be emailed to nesvs@administrare.com.
