Junior prince & princess info:

- Those selected will be done so by RANDOM DRAW. No judging will take place.
- The two children selected will participate in some Litchfield Watercade weekend festivities (July 11-14, 2019) with the current Litchfield Watercade Royalty and Royalty Candidates, but will NOT travel to any out-of-town parades.
- If your child is crowned, at least one parent must accompany him or her at each Watercade event throughout the weekend.
- There will be NO need to purchase any special clothing or matching outfits. They can simply wear something they already own.
- Please indicate on the registration form below whether or not you'd like your child to have their name in the drawing.
- If your child is not crowned this year, they are more than welcome to enter again at next year's Prince and Princess event.
- If your child is crowned this year, they may not enter to be crowned for a second year, as we want to offer the opportunity to other children.
- There is no extra charge for your child to enter the random drawing, and there will be no additional cost if they are selected as the new Junior Prince/Princess.
