Dear Parents,

May has come and gone and we are officially ready for summertime! Schools are out of session, the sun is out and shining, and we are looking forward to Camp Discovery here at BV! Summer Camp Discovery begins on June 12th.

Make sure you have paid your summer camp activity fee and have an activity calendar from your child's teacher. Your activity fee guarantees your child's spot for the summer!

PreK graduation is June 1st at 4pm at Trinity Worship Center.

We are extremely proud of these school-ready boys and girls!

Figures 1-4: Our 4's took a trip to the Outdoor Learning Environment at the Alamance Partnership for Children. So much fun! Find some time to visit with your family to see all they have.

Figure 5: We are excited about summer and all the fun we have planned... even our infants and toddlers are enjoying outside in the nice weather!

Figure 6: Thanks for all you parents and families did for us for teacher appreciation! The showering of gifts, snacks, cards, flowers, food, thank you, and kind words were overwhelming.
