A message from Management

Dear Residents,

I want to express my appreciation to all of you who are following the Covid19 guidelines for mask wearing and distancing in this park. This is a tremendous help in keeping this virus out of our park and allows us to keep the park open and operating.

Rest assured that we will keep all activities possible going as smoothly as we can.

Masks are absolutely required in the office. Please be sure to cover your NOSE and MOUTH with the mask whenever you wear it. Remember that the city requires the use of masks both indoors and at outdoor events unless 6 foot distancing is being practiced at those events. There are NO exceptions to this rule. Keep up the good work in this respect!

Meanwhile, enjoy yourselves and rest assured we are doing everything we can to make your stay with us this year as much fun as possible.

Thank you for staying with us.

Barbara Hamel
General Manager

From Martha Morin For Helping Hands:

Due to Covid19 restrictions we have canceled this year's open house (1/12/21) and Quilt and Hobby Show (2/4/21). Our hope is that next Season will bring us closer to normalcy and we can resume these events.

Blood Pressure is taken at 8:30 am in the card room on the 1st and 3rd Thursday of each month.

Please DO NOT FLUSH sanitary hand wipes. (the kind that are pre-moistened and come in plastic or other types of dispensers.) They WILL plug up the sewer lines and cause untold headaches for you and the rest of the residents if they are flushed and cause problems like this.
