

Manhattan Irish Fest Participation Rules

All Candidates and/or Elected Officials:

In order to enjoy opportunity to promote your candidacy in the Manhattan Irish Fest parade on March 2, 2024, participants must pay the required \$150 parade entry fee.

Candidates participating without payment in advance will be invoiced \$150 per campaign.

This fee applies whether participating individually or, in concert with others.

Elected officials and/or candidates are restricted from appearing on the parade route without the \$150 fee, even if joining another paid parade entry.

Individual campaign signs, clothing, stickers, and other campaign evidence or self-promotion will trigger the \$150 fee.

All proceeds raised during this parade and fest benefit local charities.

Thank you for understanding our request for equality and fairness.
