Remembering in Sympathy:

Dr. Donald Coyne, Brother of Julie Coyne-Johnson-Cassidy died October 1 in Santa Cruz, California after battling cancer for many years. He was a '54 grad & had been recognized on the school's Wall of Honor in 2006. Don was a retired astrophysics researcher for Princeton University and was a professor of physics at the University of California Santa Cruz.

Julie also shared this note: There will be no Obit or service.

And went on to add this personal update:

Mike is edging toward retirement and we have our house on the market . . . such timing. I'm selling it myself. That's a lot of work staging, etc., but should save money in the end. My daughter, Jennifer, and family have finally settled in St. Louis so we'll move closer to them. Mike is a Walgreens pharmacist so he can still work a few shifts here and there. Julie

**Who & Where is Alice Jane?**

**Businesswoman, Arts Patron & Volunteer?**  
**All of the above and much more!**

Alice Jane heads of 2 family businesses. Most of you will surely remember the gas explosion that shook and changed Hutchinson forever! Article:

[http://www.geotimes.org/oct01/feature\\_kansas.html](http://www.geotimes.org/oct01/feature_kansas.html)

Two businesses it wiped out: Woody's Furniture & Décor Party Supply, Woody's was owned by Alice Jane & husband JD Hayes. JD died a short time later. (We're sure the stress and all hastened his demise) When the dust cleared, Alice & sons moved into the Main & Sherman location. (formerly Woolworth's & then Anthony's building & opened the now: 'Hayes Home Furnishings' which she co-manages with her son Devon.) Besides the Furniture Store, she still owns & operates the Hutch staple, 'Hayes Sight & Sound.'

Alice Jane is good with people, is active in her church, local community & in business.

Alice Jane has been interviewed on the radio several times for her connections & participation with several projects like the 'Rod Run', 'Music & Arts Night' down town which is becoming a reg. monthly event, the 'Chili contest/car show', 'History Hop & Talking Tombstones', 'Historic Downtown Walk', 'Youth Friends' at Lincoln School, (a reading program with school kids) and even has recorded PSA's for latter. She regularly attends the 'Fox Theater'. She still finds time to work part time & can even be seen on TV Commercial for the recently renamed Hayes Family Furniture Store.

I was recently able to Catch her sitting still. (Selling tickets & taking votes at the Oct. 9, 08 Chili Fest)  
One thing certain we are all proud to call her friend!

\*\*\* AJ will for sure be embarrassed with this little article but give her a call & a pat on the back! Kudos Alice Jane, we love you!

**Celebration of 65<sup>th</sup> Birthday**  
5 HHS classmates of 1961 celebrated our 65th Birthdays in Colorado July 26-August 2, 2008. Karon (Baxter) Hicks of Lake Ozark, MO., Rozanne (Crupper) Robinson from Kansas City, Carol (Friesen) Chabin from Hutchinson joined Judy (Morris) Stephenson and Patsy (Brown) Slovikoski in Denver. On the road trip to Colorado, Lots of ("Malt Shop" memories) and singing led by Rozanne.

In Denver before heading to Winter Park, Judy (Morris) Stephenson hosted a delicious mexican dinner for us at her lovely home, we admired her superb gardening abilities. Patsy "Brown" Slovikoski joined us that evening. It was great catching up on Patsy's skiing adventures-she's a pro, but due to a ski accident was not able to continue on to Winter Park.

5 nights in Winter Park, where we celebrated our birthdays with food, games, shopping, hot tub, swapping stories, rituals of our lives, tears, laughter, hiking (okay walking, but it felt like hiking) and a little alcohol !!!!!.

'We had a once-in-a-life-time trip.'

Our much younger good Friend Christy Belz from Denver, shared her beautiful home in Winter Park for all 8 of us. She arranged a surprise guest, cowgirl singer Liz Masterson. She came to sing for an hour and ended staying 5 hours. We all had a wonderful time including some sing along.
