## **Northampton Music and Performing Arts Community Choir**

The Choir was founded 3 years ago as a community group for people who simply love to sing. It is directed by Graham Tear and performs a wide range of styles, from choral classics, to songs from the shows.

## **The John Clare Wind Quintet**

The Quintet's members all hail from Northamptonshire where they formed whilst working for Northamptonshire Music Trust. The ensemble has given concerts to great acclaim across the UK and has taken part in the Brixworth Music Festival since its inception. Their music ranges across the whole spectrum of the wind quintet repertoire from easy listening to the more avant garde. The players are; Graham Tear (flute), Kathy Roberts (oboe), Peter Dunkley (clarinet), Lyndon Hilling (bassoon) and Ruth Allen (horn). Peter Dunkley was the head of the Music Trust (NMPAT) and the architect of its current success until his retirement, Lyndon Hilling was the head of the woodwind department and Graham Tear the deputy head. Ruth Allen ran the very successful Wellingborough Music Centre until her recent retirement and Kathy Roberts with her husband ran the Corby Music Centre for many years.

## **Soloists:**

### **Amanda Giuliano - Soprano**

Amanda trained in singing through NMPAT while at school, taking part in many concerts and school productions. After leaving school she trained as a teacher and now teaches and co-ordinates the music curriculum in a Northampton primary school. Amanda sings with Northampton Musical Theatre company and in their last production sang the lead role of Maria in West Side Story at the Derngate Theatre. Amanda chose to sing this particular piece of Mozart simply because she loves it so much!

### **Sam Pickles - Tenor**

Sam, a talented young Brixworth-based singer, is delighted to be singing the premiere of a new song: 'You Mean To Me (More Than I Can Say)' by local composer Stuart Cooper taken from a projected musical 'Wonderland'. The song, along with other songs from the musical, will be released later this year, with Sam reprising his vocal skills, so watch this space!

## YOU MEAN TO ME (MORE THAN I CAN SAY)

### VERSE

You are the reason that I love each day  
You are the reason I have found my way  
You are the reason that I sing this song  
You are my world entire, my rising sun  
You are the greatest light that shines on me  
You are the one and only one for me  
You are the constant making each new day  
Better than the last and so I now must say

### CHORUS

You mean to me  
More than I can say  
I'd lay down my life for you  
Ev'ry day

### VERSE

You are the reason that I don't give up  
You are the one who holds the loving cup  
You are the one who keeps me grounded here  
You have a smile that melts away my fear

### CHORUS

You mean to me...

### INSTRUMENTAL

Julia you make impossible alive  
Two plus two with you is five

Julia you make the nights all shining days

Darkness is erased

Julia, Julia, Julia

VERSE

Some things they change us - make us whole and one

Some things they show us just how far we've come

Some thing has left us both now strangely free

Still I'm part of you and you of me

CHORUS

You mean to me...

INSTRUMENTAL

END
