MAY — JUNE 2018

**THANKS TO THE OFFICERS AND MEMBERS
WHO MADE THIS COLUMBIAN YEAR GREAT !**

From the Desk of the Grand Knight

Well it's hard to believe my year as your Grand Knight is almost over. This will be my last article as Grand Knight but it seems like only yesterday I was being nominated to be Grand Knight. Well this year has really gone by very fast. I have enjoyed the year more than I can say. I want to thank everyone for the support you have given me. All the PGKs have been marvelous and have always had my back. This council is very lucky we have such a great group of Past Grand Knights. They are the greatest group of Catholic gentlemen you will ever find.

Additionally I would like to single out one GK/PGK Vinny Napodano. He encouraged me to run for a position in the council. I started out as a guard. After that Vinny encouraged me to run for a chair position and you know the rest. I miss Vinny more than you can imagine but he is always in my heart and prayers. I will never forget him.

My officers Chaplin Father Arron, Deputy Grand Knight Anthony Scuderi, Chancellor Dennis Winkler, Warden Ed Ferro, Recorder Al Lahood, Treasurer Neal Mancuso, Financial Secretary Phil Bruno, Trustees James Gribbin III, Rich Tucci and Stan Wisz, Advocate Keith Wilson, Lecturer John Horn,

Inside Guards Paul Nadolny and Tom Sommerville Jr. and Outside Guards Tom Sommerville and Mark Antonucci have all been supportive of me and are true Catholic Gentlemen concerned with the best interests of Msgr. Delaney council. Let me also mention Associate Chaplin Deacon Jim Beirne. He has valiantly fought the good fight against cancer and spiritually we feel his presence at every meeting. He will remain in our prayers.

Our District Deputy, our own Tom Moran, has been a steadying influence on our council. As busy as Tom is, his heart is always with Delaney. He has been a prime example of a true Catholic Gentleman.

There are also two corporation officers I want to thank. Terry Marsac our treasurer has been outstanding in his job always accurate and timely. Our corporation lawyer George Kehm is a strong resource for us and a valued advisor for me.

The Columbiettes also have been wonderful in every way. Jeanette Winkler has been a great leader for them and a great person, she is very supportive of the Knights, their programs and functions. Our general membership has also been very supportive and I thank them all. I consider our Msgr. Delaney Knights and Columbiettes to be my brothers and sisters

300 CLUB

Hello to all my Brother Knights, Sister Columbiettes and loyal supporters of the 300 club,

I hope everyone has been enjoying Spring (I know, what spring?). We will begin drawing numbers for this session at our May 3rd meeting. We still have some numbers available and if you are interested please call me ASAP so we can get you in before May.

Our next party is scheduled for Saturday, July 14th. We currently have Levittown Hall reserved once again but we have been told that the St. James Parish Center Basement should be available by then. At this time there is a 90% chance it will be held there. Please check the next edition of the Knight Lite for the updated info.

I wish you all good luck in the upcoming drawings and God Bless.

COLUMBIETTE'S BUNCO

Dear Sister Columbiettes:

By this time, you are all aware of the amazing success of our BUNCO fund raiser, both socially and financially. While I may have chaired this function, I would never have been able to put it all together without the help of all of you. First, I want to thank my ticket chairperson, Grace Angioli, for taking care of reservations. Great job, Grace. To Marge Sparaco, MaryAnn Capparelli and Grace, who worked for hours at my home putting all of our donated gifts together, thank you. To everyone else who pitched in; whether you came early to set up, sold raffles, helped with hospitality, worked as hole punchers, stayed late to clean up, there were too many of you to acknowledge individually, but everything you did was so greatly appreciated.

The biggest source of our profit was in the selling of our raffles. Again, you outdid yourselves on my request for donations. The baskets were beautiful and more than I could ever have expected. Your solicitation of neighborhood merchants produced more gift certificates than ever before. Please be sure to support these merchants who were so generous to our cause.

I do not want to forget to send out a big Yum, Yum, to all those who brought a donation to our dessert table. A delicious way to end a fun night.

As you can see, it has been you, the members, who have made this event successful. Thank you all for making me look good. You are a wonderful group of women and I am proud to call you "sisters".

THE SANCTITY OF THE WOMB ... OR IS THAT NON-SANCTITY

When life begins at conception and mothers learn through medical testing that they are expecting their child, the fetus is protected inside the mother by her womb. The Roe V. Wade decision in 1973 removed these protections through the third trimester of pregnancy in that, if a mother wanted for many reasons to terminate her pregnancy, she will be allowed to enact the horrific abortion procedure. This procedure has made the sanctity of the womb, which many would have believed to be the safest place for a baby, become the most unsafe place for a baby by virtue of an abortionist invading the womb with a tool and performing dilation and extraction of the baby's body parts by a piece-by-piece destructive method. This is cruel and inhumane as there is no question as to the viability in regard to pain and anguish to not only the child but the mother as well.

There is no medical doubt that the fetus feels and absorbs much pain, as those who have worked in Planned Parenthood facilities will tell you that the pictures of abortions exhibit the baby trying to pull away in the mother's womb while the suction machine is tearing it apart limb from limb.

Legislation has been introduced labeled the "pain capable abortion ban." The reason for the legislation is that after 20 weeks gestation the fetus feels this horrific pain. This procedure for that very reason should be outlawed. This has not yet passed the state house or federal level but many feel it should be allowed to do so and become the law of the land.

The United States of America has laws on the books that it is a felony to treat living animals cruelly, and to have their abusers put on trial for animal and pet abuses. This is, of course, the right thing to do. The fact of the matter is that it is safer in our society for a living animal than it is for a fetus inside the mother's womb.

This country has much to be proud of but one of our generational scourges is that a mom who is with child has the right to allow a stranger, for a fee paid by either herself or through Medicaid funding, to terminate her pregnancy and make the sanctity of the womb unsafe by the immoral acts of vicious doctors profiteering by way of killing babies. The emotional scars left on the mother are immeasurable and many will tell you later on that they regret their abortions.

We can only hope as a society that the precious gift we call life will once again be given as much priority in the womb as it is outside the womb. The sanctity of life begins in the safe place of the mother's womb, but if laws allowing it to be invaded are kept on the books, the non-sanctity of this safe haven will continue to eliminate many future populations and those who could have been great contributors.

The United States is only one of seven countries worldwide that have legalized abortion and this distinction we bear is an embarrassment to our health system, our faith and our constitution which guarantees the right to life, liberty and the pursuit of happiness.

Chairman, KFL Nassau County

CHANGE OF KEYS

Brothers, it time to change the lock on the building. I would like to do it sometime in the June 15 - June 30 timeframe. If you presently have a key for the front door and think that you may still need one, please either send me an email (neal6519@verizon.net) or discuss your needs with me.

Once I change the lock no additional keys can be made without me being present at the locksmith. Unfortunately at this time we have no idea how many copies are out there and there is a need to get the numbers under control.

Neal Mancuso – Corporation President

Dear Brother Knights & Sister Columbiettes,

It is with great pleasure I write this final article as your Columbiette President for 2017-2018. First and foremost, I would like to thank my entire board of officers: Linda Ruggiero (Past President), Pat Yurasits (Vice President), Toby Fekete (Treasurer), Maryann Cabri (Financial Secretary), Mary DeRosa (Secretary), and Sally Pisano (Sentinel). Without your love and support, I would not have been such a successful President.

Secondly, I would like to thank the hospitality committee comprised of Gerry Nickel, Pat Sansivaro, and Caroline Carey. Thank you for taking time out of your busy schedule to come to the meetings earlier to set up the coffee, bring delicious desserts, and for cleaning up each month.

Additionally, I would like to take this opportunity to thank Angie Lobiondo, Marge Sparaco, and Grace Angioli, and the entire committee for all of their hard-work for a very successful Bunco evening that was held on Friday, April 20th, 2018. 100 guests were in attendance, and delicious desserts were served.

To all of the lovely ladies I had an opportunity to work so closely with this year, I thank you for being there for me to give me advice or answer any questions I had. Lastly, I would like to thank each and every Columbiette which stepped up this last year to lend a helping hand where they could.

Our auxiliary will be hosting a First Degree on Monday, May 14th, 2018 at 5:45 pm. Please make every effort to attend and show your support for these candidates.

I look forward to seeing everybody at the next scheduled Columbiette meeting on Monday, May 14th, 2018 at 7:00pm.

Be thankful for your life, let go of your worries, forgive yourself and others, and build your life around what you love.

Love and Peace,
Jeanette Winkler

ST. AUGUSTINE

Augustine of Canterbury (born first third of the 6th century – died 26 May 604) was a Catholic Benedictine monk who became the first Archbishop of Canterbury in the year 597. He is considered the "Apostle to the English" and a founder of the Catholic Church in England.

Augustine was the prior of the *Abbey of St Andrew's in Rome* when Pope Gregory the Great chose him in 595 to lead a mission, usually known as the Gregorian mission, to Britain to Christianize King Æthelberht and his Kingdom of Kent from Anglo-Saxon paganism. Kent was probably chosen because Æthelberht had married a Christian princess, Bertha, daughter of Charibert I the King of Paris. She was expected to be able to exert some influence over her husband. In 597 Augustine landed on the Isle of Thanet and proceeded to Æthelberht's main town of Canterbury.

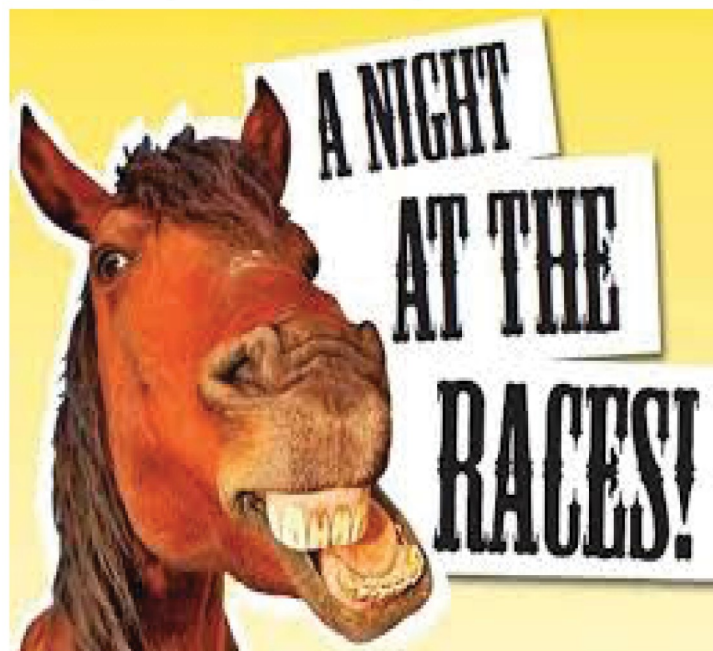

King Æthelberht converted to Christianity and allowed the missionaries to preach freely, giving them land to found a monastery outside the city walls. Augustine was consecrated as a bishop and converted many of the king's subjects, including thousands during a mass baptism on Christmas Day in 597. Pope Gregory sent more missionaries in 601, along with encouraging letters and gifts for the churches, although attempts to persuade the native British bishops to submit to Augustine's authority failed. Roman bishops were established at London, and Rochester in 604, and a school was founded to train Anglo-Saxon priests and missionaries. Augustine also arranged the consecration of his successor, Laurence of Canterbury. The archbishop died in 604 and was soon revered as a saint.
