## PRESIDENT'S LETTER

JULY—AUGUST 1986

It has come time to close out the 1985-86 Fall/Winter league. The season was rather long being as we played four rounds this year, but this was a successful season for the association.

With careful management, we have gained financial stability and are able to hold functions and special events without having to charge members extra fees to participate in these events.

Before going any further, I would like to thank you the members for joining and playing in the D.D.A. this year because without you the association would be non-existent. I hope overall a good time was had by all whether a championship was won or not. The competition was fierce in many divisions all year with berths in the play-offs being decided the last match of each round in some cases.

The Board of Directors should be thanked as each one worked endless hours to make this season as enjoyable as possible. Each and every Board member deserves a special thanks as these are non paid positions. They are: Vice-President - Hank Duff, Secretary - Pam Patterson, Treasurer - Gene Cramer, Sgt. at Arms - Herb McIntyre, Trustees - Mark Stratford, Gary Zahn, Chris Sanders, Mike Coogan, Rick Davis, Lynn Wolf, Bob Hurt, George Esposito and Paul Cooper. Hank's, Mark's, Gary's and George's terms expired May 30 and they will surely be missed.

Ted Borgert has done an excellent job with the newsletter and has brought it to being nearly self funding. The task of putting together the newsletter is continuous and Ted has spent many endless nights trying to meet deadlines and he also deserves a special thanks.

As you run into these fellow players in the pubs and businesses in the Dayton area a thanks should be extended as each has done an exceptional job.

Pam is a new member to the Board and her skills will add nothing but quality to the office of Secretary as she has already demonstrated at the Board meetings she has attended.

These members have sacrificed Sunday afternoons and many evenings as meetings have been on many occasions weekly. Once again a hearty thanks to each and every one of you.

On to league business. As you may have noticed in some of the pubs and taverns, the Dayton Dart Open will be held in conjunction with the Ohio Dart Championships. The dates for this prestigious event are Sept. 12, 13 and 14 at the Holiday Inn-Holidome at 2455 Dryden Rd. As details become available they

will be released by the association (254-DART) and the Dart Board Shoppe (252-2260). The State Singles and Doubles titles (mens and ladies) will be up for grabs to players residing in Ohio.

This event will be well attended by players from the state as well as out of state players. A good turnout by the Dayton players will not only lend support to this tournament but very well may land these titles to local players. If nothing else, this will be the largest darting event in Dayton's history and should be an exciting weekend. The local newspaper and television media are expected to cover this event. WHIO-TV (channel 7) already has offered support as far as coverage and personalities for awards presentations.

The divisional singles and doubles champions will have entry into the same event at this tournament. Doubles winners do not have to play with the same partner they won their championship with.

The Summer League started June 4. Anyone interested in joining a team or being on the sub list should call 254-DART. Have an enjoyable and safe summer and I hope to see all of you in the fall.

Thank you,  
Dennis R. Haws  
President

## \$10,000 DDA OPEN

The Dayton Darting Association Open will be held September 12, 13 and 14 at the Holiday Inn-Holidome, 2455 Dryden Rd., 294-1971. The association has also decided to have the Ohio State Dart Championships in conjunction with this event. This tournament should have a good draw of players from Ohio as well as our neighboring states.

The Ohio State Dart Championships will have 501 singles and doubles events for men and ladies to determine the state champion(s). This event has not been held in the state of Ohio for some years. It is quite an accomplishment for Dayton to host this prestigious event. The plans are to hold this event in conjunction with the Dayton Dart Open yearly.

The Open portion of this weekend of darts is open to any and all entrants (the state is open to Ohio residents only).

This tournament needs your participation to be successful. Our league has grown the last few years and now is the time for us to let the state know we are a viable association. So let's show up in force and show the state of Ohio that the Dayton Darting Association is among its's best.

## Letter from the Editor

There has been some question as to...should only current advertisers be included in the LOTD schedule and should we exclude non advertisers from getting something in the newsletter even if it would be of interest to the Dayton Darting Community.

There are certain cry babies out here who seem to think this should be true. They moan I paid my dues and its my newsletter and anything that pertains to darts should be in it. This is BS. Granted certain events should be mentioned, charity events for example, but to have someone's business supported just because they sell dart supplies or run a LOTD is grossly unfair to the advertisers who do support us.

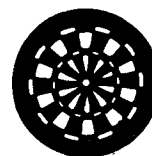

Advertisers help keep our dues down. We have some of the lowest yearly dues in the state. If these dollar were not coming in to help support the DDA system you the darters would indeed be paying higher dues.

Advertising in the DDA newsletter is very inexpensive. It only cost \$15 per issue to have an ad put in. The postage alone cost \$120, not to mention the printing and costs associated with putting it together. And these leaches are crying about FIFTEEN BUCKS!?

Granted, there are some instances where special tournaments should be mentioned, but to have some free-loader to be mentioned time after time just to drain the pocket books of the those who care and support the DDA is out of the question.

Please support those people who support us!

## It's Time For A New Editor

The DDA would like to have someone with expert communication skills to take over the position being vacated by Ted Borgert. The ideal person would be someone male or female, with good communication and organizational skills and know many of the players and events that go on in the DDA. This is a paid position, with duties which include organizing the hot shots and standings, writing some articles and editing input from the president, officers and members of the DDA.

Ted says "my work load has changed and some unforeseen circumstances arisen to force me to be unable to dedicate as much time as needed to the DDA. I feel the members could be better serviced by someone with a little more free time available to stay on top of the Dayton darting scene." "I really like being involved with the newsletter and the DDA and its members but right now I am performing two jobs, one as editor and the one that of art director. I would be interested in staying on in the art director position if I could get someone to take over as editor."

For more information please contact: EDITOR at Box 623 or leave a message on the Dart Line at 254-DART.

## WHERE'S THE NEWSLETTER?

If you are wondering if you misplaced the May/June issue of the newsletter, the answer is no.

It is late and as editor I must Apologize to our members and advertisers for its tardiness. The final standings were extremely late getting out, articles and letters from officers and board members were equally overdue, and the newsletter offices were down for a couple of weeks due to a move from Bellbrook to Dayton.

Things now seem to be back on track and you should be receiving your newsletters approximately every other month, and our advertisers will get their ads placed in an additional issue without charge.

Once again we are sorry for the delay.
