DESCRIPTION: Great looking and performing Bear recurve. Features the Bear sight plate with brush rest. No delamination; no cracks; limbs are straight. Tips and "polar" tip overlays are in great condition (overlays are white and light polar blue; they are identical but look different in the pic due to lighting). Two filled sight holes on the face (see pic). No chips, dings or cracks. A single 2" superficial stress line above the sight window on the back below Bear Polar (see pic on last page - may need to enlarge page to see). No crazing. A few scratches and scuffs here and there. This is a really nice bow in excellent condition for its age.
