1Poster Sessions

- 1 Camp Read S'More: How Pre-Service Teachers Can Provide Student-Centered Literacy In A Summer PDS
- 1 Engaging In Inquiry Within A PDS Collaborative Community: Teacher Candidates Making A Difference
- 2 Explorations Outside Of The Classroom
- 2 Goin' Urban! Journeys Of New Urban Professional Development School Teacher Candidates
- 3 Keep Spreading The Word ... You Want To Be A Part Of It . . . PDS!
- 3 Learning From The World Around Us
- 4 Lunch-N-Logs
- 4 PDS Interns' Contributions To Literacy Growth Among First-Graders
- 5 Pre-Service Teachers From Diverse Backgrounds Adjusting To Rural, Non-Diverse Settings
- 5 Reading Fellows: A PDS Model Bridging The Gap Between Coursework And The Classroom
- 6 Reminders: Strategies For Forgetful Students
- 6 USC Pedagogy + PDS Experience + Highly Effective Teaching = A Model For Success
- 7 When Science Meets Art: Action Research In The Classroom
- 7 You Can Learn No Matter Where You Come From: Teacher Candidates Tutor Refugees

11Strand #1: Engaging Faculty and Administrators in a PDS

- 11 A PDS Adjusts To Changes In An Elementary Professional Block
- 11 A Tale Of Two Voices: The PDS Journeys Of Junior Faculty
- 12 Assessing ICT Self-Efficacy In A PDS Network
- 12 Benefits Of Engaging Classrooms In Anchor Action Research And Relationships To A Fidelity Survey
- 13 Brain Compatible Learning In A PDS? It's A Mind Stretching Process For All
- 13 Building A Community Of Learners: Leveraging PDS To Transform An Elementary School
- 14 Building A Governance Structure To Sustain Relevance
- 14 Building Momentum For Partnership Growth: The Role Of The University Liaison In Initiating And Establishing Collaboration Among University And School-Based Faculty

- 15 By Staff, With Interns, For Students: Year 1 Of A PDS Journey
- 15 Calming The Storm Of Protest
- 16 Challenges And Solutions For The PDS Administrator
- 16 Collaborating In A New Model Of Mentoring
- 17 Collaborative Partner Classrooms: The Impact On The Professional Development of Mentors
- 17 Communication Is The Key: Using Action Research As A Platform To Engage All Stakeholders In The PDS
- 18 Compromising Positions: Contortions, Convolutions, And Other Confusing Conundrums
- 18 Consume, Critique, Produce: Collaboratively Changing Teaching Practice
- 19 Counting On Your Neighbors: Joining Forces To Provide Quality Teachers For The 21st Century
- 19 Creating Strengths-Based Communities: A Model For Enhancing Teacher Preparation, Professional Development, and Student Motivation
- 20 Designing Professional Development School Models To Meet The Needs Of All
- 21 Dimensions Of Leadership: How Leaders Frame Their Work In A PDS
- 21 EcoSTARS: Creating And Sustaining Successful PDS Relationships
- 22 Engaging All Constituents In Year Two Goals of Our PDS
- 22 Engaging Faculty And Students In Scholarship: A Partnership Project Promoting Teacher Candidates As Change Agents In A Changing Climate
- 23 Engaging P-12 Faculty As Teacher Educators: Unpacking Veteran Mentor Thinking And Practices
- 23 Engaging Principals And Teachers In Internationalizing PDS Schools
- 24 Examining Interpersonal Relationships Between Interns And Their Student Teaching Supervisors
- 25 First-Year Experiences In A PDS Relationship: Multiple Perspectives
- 25 Flying Solo In Project SOAR: How University Instructors, School Faculty, Teacher Candidates, And Students Found Their Voices Through Writing Workshop
- 26 Formative Assessment Project: A PDS Community Of Learners
- 27 From Great Ideas To A Great Partnership
- 27 From Sippin' To Trippin' To Ripplin': The Story Of An Emerging PDS
- 28 Getting Everyone Onboard: How To Communicate The Benefits Of Your PDS

- 28 Heads Above The Water - Teacher Leadership
Development: Perceptions Of 24 Teachers From Two PDS
Sites _____
- 29 Helping Mentor Teachers Acquire Skills For Supervising
PDS Interns _____
- 29 “Hey, We’re Working Hard, Too!”: What The Dean Needs
To Know About PDS Work _____
- 30 Implementation Or Consideration? A County’s Response
To Findings From A Research Study _____
- 30 In For The Long Haul: Benefits Of Long-Term Field
Placement _____
- 31 Inquiry-Based Assessment: Cultivating Reflective Teacher
Practitioners Who Self- Regulate Professional Learning _____
- 31 Intern Intervention Initiative: An Elementary Principal
Working With PDS Interns To Target Instructional
Interventions For At-Risk Students _____
- 32 Introducing Co-Teaching To The PDS Community:
Professional Development For Mentors _____
- 32 It’s A PDS Party: You Are Invited _____
- 32 Kemper Professional Development Schools’ Response To
Innovation And Change: Faculty, Staff, And
Administrators’ Partnerships _____
- 33 Learning by Doing: Action Research In The PDS _____
- 34 Linking Models Of Teaching To Student Learning
Outcomes And Action Research: A Strategy For Engaging
Faculty, Administrators And Candidates In PDS Work _____
- 34 Making A PDS/University Science Collaboration Work: A
Model For University Faculty Working In Public School
Settings _____
- 35 National Board Training As School Reform _____
- 35 New Mentor Surprises _____
- 36 Preparing Teachers To Serve Students From Diverse
Backgrounds Through A Professional Development School
Model In A Dual Language Immersion Setting _____
- 36 Professional Development School Partnerships: Action
Research Paves The Way To Acquire Tenure And
Promotion _____
- 37 Promoting, Developing, And Sustaining Professional
Development School Partnerships _____
- 37 Relationships And Structures: Sustaining And Renewing
PDSs _____
- 38 Research Intensive PDSs: Sustaining Inquiry Across PDS
Faculty, Pre-Service Teachers, And University Faculty _____
- 39 “Scaffolded” Learning For Pre-Service Teachers: How On-
Site Methods Courses Facilitate The Integration Of Theory
And Practice In Teacher Education _____
- 39 Seeing St. Elmo’s Fire: A Quest To Find The Light And
Beauty Of Forming A PDS From Scratch At A Regional
Campus _____

- 40 Spreading Myself Too Thin! Just Another Thing On My Plate! It's Already A Crowded Day! Balancing PDS Work Using A PDS Network Model
- 40 Staff Solidarity At Summer Institute
- 41 Storm Clouds Or Sunny Skies
- 41 Strengthening The Connection Between Teacher Education Programs And Field Experience Schools
- 42 Stronger Together: How PDS Partnerships Benefit Everyone
- 43 Supporting School Staff And Administrators By Assessing The Impact Of PDS Partnerships On Student Academic Achievement Rates And Other Outcome Indicators
- 43 Supporting The Mentor: What Works In A Year-Long PDS Program
- 44 The Administrative Challenge: Ensuring University Faculty Are Rewarded For Their PDS Scholarship
- 45 The Breakfast Club: PDS Faculty Collaboration
- 45 The Evolution Of A PDS Partnership From Teaching To Governance
- 46 The Eye Of The Storm
- 46 The Impact Of A PDS Partnership On Professional Development In The Partner School District: A Case Study
- 47 The Induction Continuum: Building The Bridge From Pre-Service to In-Service Professional Development
- 47 The Road To Possibilities: Innovative P-20 Partnership For P-20 For Excellence In Teaching And Learning
- 48 The Role Of PDS In The Navigation Of A Professor's Tenure And Promotion
- 49 Total Engagement Between PDS And University: A Case For Co-Teaching
- 49 "What's In It For Me?": The Benefits Of The Co- Teaching Model In Supporting Staff Development In PDS Schools
- 50 "Who's The Boss?": Creating A Collective Vision For Professional Development

51Strand #2: Identifying Funding and Other Resources

- 51 4-Pronged Approach For Maximizing Financial Resources To The PDS Partnership
- 51 A Practical Approach: The Impact Of Hybrid Methods Courses In A PDS Environment
- 52 A Professional Development School Relationship On A Shoestring
- 52 A Unique Approach To Meeting The Needs Of Students, Teacher Candidates, And PK-12 Faculty: Use Of Technology As A Cost Efficiency Training Measure
- 53 Augmenting P-12 Partnerships: A Highly Collaborative Mentor Training Program
- 54 Benefits Of Value-Added Partnership Work

- 54 Blending Resources For A Collaborative Service Project In A PDS Focused On Student Learning _____
- 55 Collaboration That Works: Strengthening Relationships Among Teachers, Students, Interns, And The University _____
- 55 Community Collaborations And Longfellow Elementary School _____
- 56 Count On Books (And Federal Funding): Supporting Mathematics Learning And The Writing Process Through Literature _____
- 57 Creating New Paradigms For PDS Relationships In Difficult Economic Times _____
- 58 Doing More With Less: A Win-Win PDS Partnership _____
- 58 Full Steam Ahead: Growing PDS Partnerships In Financially Troubled Times. _____
- 59 Funding For A PDS: Changing Academic Performance And Promoting Success (CAPPS) _____
- 59 M.O.R.E. With Less: Developing Collaborative Intervention Programming With Limited Resources _____
- 60 Making Stone Soup: Facilitating PDS Growth With Limited Resources _____
- 61 Overcoming Limited Resources By Developing Creative Ways To Help Struggling Students Succeed _____
- 61 PA NPDS Principals PDS Assessment Study _____
- 62 PD for Free? Creating Resident Experts _____
- 62 Reading Fellows: A Cost-Effective PDS Model That Benefits All _____
- 63 Show Me The Money! Multiple Ways To Get Your PDS Work Funded _____
- 63 Teacher As Researcher: STEM PDS Initiatives _____
- 64 Weathering The Storm: Creative Funding Of Professional Development Schools In Challenging Times _____
- 64 When Times Are Troubled: Sustaining Pre-Service Teacher Education Initiatives With Limited Resources _____
- 65 Win/Win For PDS Mentors And Teacher Candidates Utilizing Placements _____

67 Strand #3: Succeeding in a Challenging “Political” Climate

- 67 A Balanced Response Effort: PDS And Politics _____
- 67 A Balancing Act: Using Data-Driven Instruction To Maximize Learning Potential _____
- 68 A Tale Of Three Districts: The PLC Balancing Act _____
- 68 Action Research: Teaching And Learning In The Data Rich Schoolhouse _____
- 69 Against The Odds: Documenting Transformative Learning And Practice In A PDS Partnership Community _____

- 69 Artful Connections To literature And Culture Through Teacher - Student Pen Pals
- 70 Balancing 21st Century Learning And Assessment In A Response To Intervention Professional Development School Partnership
- 70 Beyond NCLB: Meeting The Academic And Social Needs Of Students In PDS Classrooms
- 71 Bringing Teacher Voice To Self-Directed Professional Development: Lessons Learned
- 71 Building A PDS Brick By Brick With The Mortar Being Student Achievement
- 72 C' mon Along On Our Journey Through The Political Quagmire - Keeping the Dream Alive
- 72 Calming The Unique Storm: Stronger Connectivity With Special Education Students
- 73 Catching Up With PDS Graduates In An Era Of Reform: Tracking And Its Impact On Sustainability
- 74 Collaborative Challenges: Lessons Learned From A Co-Teaching PDS Model
- 74 Data, Data, Everywhere: A Partnership Navigating the Sea of Accountability
- 75 Deepening Reflective Practice Through Focused Observations And Video Analysis
- 75 Differentiated Instruction And Scheduling For Candidate And Student Success
- 76 Embracing Interns As Part Of The Solution
- 76 Engaging University Faculty in PDS Partnerships
- 77 Ensuring Democracy Through Service Learning
- 77 Family Literacies/School Literacies In A PDS Partnership
- 78 From Pre-Service Teacher To First Year Teacher: A look At Teacher Preparedness
- 78 "High Maintenance" Interns And The Challenge Of PDS Sustainability
- 79 Hitting Two Birds With One Stone: Raise Physical Fitness - Raise Reading Scores.
- 80 How Does Understanding Curriculum Lead To Success In A Challenging "Political" Climate?
- 80 Intentional Arts Integration: Student Success Through The Collaborative Design Of Meaningful Curriculum, Inquiry, And Arts Advocacy
- 81 It's Getting Hot In Here: A PDS Goes To Summer School
- 82 Leveraging Professional Learning Communities And Collaborative Team Meetings To Address Student Achievement
- 82 Leveraging Response To Intervention Initiatives To Effectively Meet The Professional Development Needs Of All PDS Partners

83	Lightning Strikes! Igniting The Mind With Brain-Based Teaching Strategies	_____
83	Partnering For Student Achievement: A School-Wide Writing Initiative	_____
84	Partnership Programs: A Poor Fit For The Efficiency Model Of Teacher Preparation	_____
84	PDS Faculty, Students, and Administrators Meet Race To The Top (RttT) Challenges: A Strategic Approach And Research Agenda For Change And Reform	_____
85	Preventing Kindergarten Student Summer Reading Loss: Parents, Teachers And University Working Together To Bridge The Gap	_____
86	Public Accountability: Three Years Of Data Of Math RTI - A Result Of The PDS Partnership	_____
86	Rethinking And Redesigning The Connection Of College And University Coursework In Pre-Service Teacher Education: The Challenges Of Teaching Pre-Service Teacher Education Courses In Secondary School PDSs	_____
87	rKids2College2: From Book Talk To College Walk	_____
88	RTI Math Methods: How A PDS Partnership Provided Tier 2 Math Interventions For All Students	_____
88	Sisyphus Laisse Le Bontemps Rouler: Challenges In Generating Support For PDS From Faculty And Administrators: A Case Study Of The Rise And Lapse Of OnePDS	_____
89	Special Education PDS Interns Implementing NCLB And IDEA Requirements	_____
89	Spiraling Action Research: How To Do It ‘Write’	_____
90	Staying Afloat In Today’s Educational Environment: Partner Or Perish	_____
91	Succeeding In An Era Of Accountability: Expanding The Curriculum To Prepare Students For A Global Society	_____
91	Successful Inclusive Practices For Students With Special Needs	_____
91	Supporting Student Teachers Through The Project Supervisor Model	_____
92	Swimming Against The Tide: Deepening Student Learning Through Authentic Problem Solving Experiences	_____
92	Synergy In The PDS: The Sum Of All > The Parts	_____
93	The Building Blocks	_____
93	The Content Versus Pedagogy Controversy: Why A PDS Model Successfully Prepares Pre-Service Teachers	_____
94	The Role Of Professional Development In College And Career Readiness: A State Initiative	_____
94	The Sun Is Shining at Lincoln Elementary: Lincoln Leaders Are The Power Of The PAW And PDS	_____
95	Transforming Teacher Education Within PDS - Where Partnership And Innovation Meet	_____

- 96 Using “Old School” Curriculum With “New School” Assessment
- 96 Using Mentoring Teams To Facilitate Instructional Change
- 97 Using PDS Study Groups To Balance Best Practices In Literacy Instruction With The Demands Of State Testing And District Curriculum
- 97 Utilizing Pre-Service Teachers To Meet Goals For Student Achievement In a Professional Development School
- 98 Weathering Atmospheric Pressure: PDS In The Age Of RTI
- 98 Weathering The Storm Of Standardization: Taking (And Making) The Time For Authentic, Inquiry-Oriented Service Learning Opportunities In PDS Contexts
- 99 Weathering The Storm: How A Traditional Magnet School Program Is Working To Refine Curriculum And Share Our Identity as A PDS With The Community, Despite School Board Cuts
- 100 ... What Are They Asking? Pre-Service Teachers’ Use of Questioning Within High Stakes PDS Classrooms
- 100 ... Why Do They Do It? Hosting Pre-Service Teacher Candidates During These Troubling Times In Education.
- 101 ... Working Together To Increase Student Achievement
- 101 ... Working Together To Meet Everyone’s Needs

103...Strand #4: Designing Successful High School and Middle School PDSs

- 103 ... A PDS That’s Right As Rain: Developing And Sustaining A Middle School Partnership That Benefits All Stakeholders
- 103 ... Building Momentum In A High School PDS Partnership
- 104 ... Challenges In Preparing Math And Science Teachers To Stay Afloat In Middle And High School Classrooms
- 105 ... Changing Academic Performance And Promoting Success (CAPPS): Middle And High School PDSs
- 105 ... Continuity Builds Successful PDSs At The Secondary Level
- 106 ... Dating Before Marriage: Organic Development Of A Middle School PDS
- 106 ... Designing SUCCESSful High School And Middle School PDSs
- 107 ... Developing An Urban Multicultural Teacher Academy Pipeline Partnership
- 107 ... Elementary - Middle School- High School: Building Blocks For A Successful High School Professional Development School
- 108 ... Essential For Some, Good For All: The Collaborative Teaching Initiative (CTI) As A Partner Classroom In The State College/Pennsylvania State University Secondary PDS

- 108 ... Family Engagement In Suburban And Urban Schools:-
Secondary Pre-Service And In-Service Teachers’
Experiences and Perceptions _____
- 109 ... Fostering A Unified Learning Community Across A
Geographically-Distributed Secondary PDS _____
- 110 ... From The Trenches: Teachers’ Perspectives On Scheduling
Pre-Service Teacher Practica _____
- 110 ... Integrating University Interns Into The PDS Special
Education Strategic Plan Yielding Immediate Student
Academic Gains _____
- 110 ... Meeting The Challenges Of Developing And Sustaining A
Long-Term Secondary PDS Partnership _____
- 111 ... Musing, Wondering, And Questioning: The Inquiry-Based
Model Of The State College/Pennsylvania State University
Secondary PDS _____
- 112 ... Pre-Service Teachers As Agents Of Change: Examining
College Readiness At The PDS _____
- 112 ... Professionalizing The “Marriages” Of PDS And Non-PDS
Mentors And Interns: “Placements,” “Speed Dating,” and
“Matching” In Three U.S. Settings _____
- 113 ... Providing PD For Middle School Teachers In A PDS:
Challenges, Benefits, And Impacts _____
- 114 ... Reflection At The Middle Level: Journeying Beyond The
Storm _____
- 114 ... Riding Out The Storms: Creating A National Model For
Successful Planning Process For High School PDS _____
- 115 ... Riding The Storm Together: A Retrospective Of The Clinical
Faculty Associate Experience _____
- 115 ... Rowing In The Boat Toward Success! How Education
Students, High School Faculty, And High School Students
Work Together For High Achievement _____
- 116 ... Setting Up And Sustaining Secondary Schools: The
Struggles And Successes Of One PDS _____
- 116 ... So THAT’S How It’s Done: Teachers Share The Chalk! _____
- 117 ... Teacher Research Within A Secondary English Professional
Development Site _____
- 117 ... Teacher Whoas: A Framework For Understanding And
Accommodating Secondary Teacher Reluctance While
Working To Implement A High School PDS _____
- 118 ... TECH For TWO: A Mutual Initiative In The Sharing Of
Technology Skills To Improve Instruction In The Classroom _____
- 118 ... The Barnegat/Monmouth Connection: A High School
Redesign _____
- 119 ... The Challenges Of Creating And Sustaining High School
PDS Programs _____
- 119 ... The Challenges Of Developing And Maintaining A Middle
School PDS In An Urban Area _____
- 120 ... The Future’s So Bright We Gotta Wear Shades: A Middle
School PDS Shines _____

- 120 ... The Secondary PDS Of The Benedum Collaborative:
Successes And Challenges
- 121 ... When Consolidation Happens: Implications For
Professional Development School Partnerships
- 122 ... Year-Long Internship To PDS: Creating A PLC At An Urban
Middle School

**123...Strand #5: The Special Challenge of
Rural and Urban PDSs**

- 123 ... 21st Century Technology: The Virtual Museum
- 123 ... A Comprehensive Field-Based Mentoring Program With
Rural Schools
- 124 ... A Grassroots University/District Professional Development
Program
- 124 ... Accent On Special Education
- 125 ... Addressing Diverse Student Needs Through Integrated
Professional Development
- 125 ... Administrator Transience In An Urban Professional
Development School Partnership: Issues, Strategies And
Implications
- 126 ... Alternate Route And Traditional Teacher Preparation Side
By Side In An Urban PDS
- 127 ... An Unexpected Urban Surprise
- 127 ... An Urban ELL Professional Development School
Partnership: The Challenges And Rewards
- 128 ... An Urban Teacher Residency In Progress: A Conversation
With The PDS Residency Team
- 128 ... Benefits Of Collaboration In A Culturally Diverse Urban
Setting
- 129 ... Bringing Value To The Urban And Rural PDS
- 129 ... Building Community: Family Writing Projects
- 130 ... Building PDSs To Respond To The Changing Needs In
Suburban Schools
- 130 ... Can A PDS Located In A Small Town Prepare Candidates
To Be Successful Teachers In Urban And Rural Settings?
- 131 ... Comparing And Contrasting The Urban PDS Experience At
Elementary, Middle, And High Schools
- 131 ... Creating A Cohesive Learning Environment To Maximize
Student Achievement
- 132 ... Critiquing Differentiated Instruction At The Snack And
Chat: A PDS/University Model Of Contextual Teaching/
Learning
- 132 ... Developing Collaborative School Networks
- 133 ... Eliminate Beginning Teacher Anxiety: Learning Through
Experience
- 133 ... Embracing The Challenge Of Preparing Teacher Candidates
For Teaching In Culturally Diverse Environments

- 134 ... Enduring The Storm: A Seminar Sequence For Candidates
In Elementary Education _____
- 134 ... Evaluating An Urban And A Rural PDS Program: Using The
PDS Profile Based On The NAPDS Nine Essentials _____
- 135 ... Flat Stanley Leaves Paradise To Travel The World _____
- 135 ... Focusing On Cultural Diversity From The Beginning _____
- 136 ... Forty Urban PDSs Later: Challenges, Changes And
Connections _____
- 136 ... From A Cooperating Teacher To A Mentor Within An
Urban Middle School _____
- 137 ... From Far And Near: Finding Diversity In Rural Areas _____
- 137 ... From The Swamp To The Summit: An 8-Year PDS Trek _____
- 138 ... How An Integrated PDS Can Help Train New School
Psychologists _____
- 138 ... “I Don’t Know If The Students Didn’t Care Or What ...”:
Pre-Service Teachers Confront The Challenges Of An
Urban Classroom _____
- 139 ... Immediate Results On High-Stakes Testing: Using Data To
Increase Student Achievement _____
- 139 ... Investigation Of Some Issues That Facilitate Or Hinder
Successful Co-Teaching Between University Faculty And
K-5 Educators In An Urban Professional Development
School _____
- 140 ... It’s A Whole New World!: Guiding Teacher Education
Candidates As They Follow Their Hearts Into The Urban
Setting _____
- 140 ... Learning By Doing: Action Research In Rural And Urban
PDSs _____
- 141 ... Learning Lessons: Ten Years As A PDS And Still Learning _____
- 141 ... Leer Entre Lineas: Helping PDS Interns Succeed With
Elementary ELL Students _____
- 142 ... Leonardo - Art, Literacy, Math, And Science Explorations
4.0: How The Visual Arts Can Contribute To Advancing
Literacy, Math, And Science In Professional Development
Schools: A Workshop Presentation _____
- 142 ... Lessons In Diversity: Preparing Pre-Service Teachers For
The Real World _____
- 143 ... Marginalized, Oppressed, And Kicked To The Curb:
Effective Techniques For Healing The Disconnect With
Urban Students _____
- 144 ... Matching Electronic Portfolios To PDS Work _____
- 144 ... Meeting The Challenges Of Partnering In Rural Schools _____
- 145 ... Meeting Their Needs: Support For Beginning Teachers In
An Urban PDS _____
- 145 ... NET-Q Grant: Establishing Collaboration Between Urban
And Rural PDS Networks _____

- 146 ... PDS Leadership Development: The Essential Key In Achieving School And Community Success In Rural Districts
- 146 ... Positive Behavior Support And Response To Intervention In A Professional Development School: Getting Started
- 147 ... Practice, Support, Opportunity, And Impact: A Collaborative Partnership To Support Teacher Candidates In High Poverty Urban Schools
- 148 ... Preparing Candidates To Teach Reading In An Urban Professional Development School: The Impact Of A Tertiary Prevention For First Graders At-Risk For Failure
- 148 ... Preparing Teacher Candidates To Embrace The Rapidly Changing Population In Urban Settings: Knowing What Matters Most Is Key!
- 149 ... Pre-Service Teachers' Perceptions And Knowledge Of Reading Instruction In First And Third Grade Classrooms
- 149 ... Rural And Small But Loud And Proud: Meeting The Challenges Unique To Rural Schools
- 150 ... Rural Appalachia: Helping PDS Partnership Candidates Understand Contextual Factors Of Local Schools And their Communities
- 150 ... Rural PDS Schools: Great Opportunities For Interns
- 151 ... Rural PDSs: Meeting The Challenges
- 151 ... Shifting Wind Direction: Making Room Under The Umbrella For Rural PDS Partnerships
- 152 ... Small-Town And Wide-Eyed, In A Big-Town School
- 152 ... Staying "In The Loop" With Pre-Service Teachers: Making Theory/Practice Connections In A Rural PDS Network Through Small Group Seminars
- 153 ... Student Voice In A Rural PDS Network
- 153 ... Succeeding In A Challenging Climate By Partnering With Parents: The Power Of A PDS
- 154 ... Teachers' Academy: Meeting The Needs Of Teachers In Diverse PDS Communities
- 154 ... Technology: iPod Touch Use In The Math And Reading Classroom
- 155 ... The Brigham Young University-Public School Partnership: Over A Quarter Century Of PDS Activities
- 156 ... The Challenge Of The Urban PDS: From A "Melting Pot" to A "Cultural Mosaic"
- 156 ... The City Mouse/The Country Mouse: Activities And Initiatives To Connect Rural/Urban Schools Within The PDS Partnership
- 157 ... The Danger Of A Single Story: Addressing Social Justice Challenges In Rural And Urban Professional Development Schools
- 157 ... The Mentor Anchor: The Importance Of Mentoring In Supporting Novice Teachers
